Dr. Scott Oliver
UFA President
Shawnee State University
Portsmouth, OH 45662

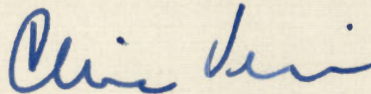

Dear Dr. Oliver:

Please find attached the FY91 budget for the UFA.

As you'll note, Gary has "X" amount of dollars earmarked for use by the Assembly's "governance committee." You should, however, have sufficient funds at your disposal to operate the Assembly.

Please use Dr. Addington as the responsible person to approve expenditures in the account. If you have any questions, he, Neil or Ray can be helpful.

Sincerely yours,

Clive C. Veri
President
