### SEEING OURSELVES

The mystical art of panomime was demonstrated by Mr. O. J. Anderson Mime Show last Tuesday the 23rd. Through the simple use of make-up, music, and a single chair for his props, O.J. Anderson silently portrayed such human experience to which all could relate to.

His skits covered a range of subjects from the Disco Macho Man, to the simple word HOPE. With its dramatic and humorous episodes, it had become embarrassing moments for some who were chosen to learn his art up on stage. Through O.J. Anderson's facial expressions and graceful hand movements, it was a great show for one to see one's self.

## OPEN LETTER FROM LONDON CORRECTIONAL INSTITUTION

Sirs:

In receiving this letter, we sincerely hope from the bottom of our hearts that this will find you in good spirits. As for us, we are writing with hopes from deep within that your newspaper will run a correspondent ad for us free of charge.

We are not trying to run a con game on you as we are inmates in one of the Ohio prisons trying to find some people or possible friends that would like to write a person in prison.

Sirs, Steven Sargentis, 22 years old and Chester Roberts, 25 years old; we have been in prison now over a year and have not received any mail since our stay in prison and it's a very lonely feeling to be all alone with no one to care about you. You are our only hope at finding friendship, but most of all, peace of mind.

It doesn't matter what age or race, we'll write anyone that will write to us.

Sincerely,  
Steven Sargent & Chester Roberts
