Results of the Ski Trip

The first ski trip of the year was attended by 30 people and included two staff members, four guests, and 24 students.

The group left at 6:00 a.m. Friday, November 28, and arrived in time for a short rest before the Student Ski Association presented an excellent bash.

Saturday skiing was good with 27 people out of 30 going to the slopes (three chickened out). The dinner and dance that night was very nice.

Sunday skiing was better, but only five from Saturday's skiing survived to hit the slopes again.

We arrived back in Portsmouth at 3:15 a.m. Monday with 30 zombies, of which most succeeded in attending class that morning.

Sorry you weren't there, but the next trip should be in January. There will be more information on that trip later.
