RATIONALE:
Resolved that the UFA approves the return of the transfer transcript evaluation process to the Office of Transfer Placement. In delegating this OPERATIONAL authority to the Office of Transfer Placement, the faculty retains its authority to judge course equivalency decisions made by the Director of Transfer Placement through a quarterly post-hoc review of files.

Be it further resolved that the UFA invites all departments and programs to emulate the Department of Mathematics in providing the Director of Transfer Placement with guidance in the form of "transfer equivalency charts" for the two and four year schools from which SSU receives most of its transfer students.
At its recent meeting, The University Faculty Assembly approved/adopted the following proposal: Approved, upon recommendation by the EPCC, of a Bachelor of Fine Arts and a Bachelor of Arts in Art with various teacher education certifications. (Please see attached summary.)

I am forwarding, per THE CONSTITUTION AND BYLAWS OF THE UFA (Subsections 1.3.1 and 1.3.2), the UFA recommendation for your consideration and action.
