Inter-Varsity Christian Fellowship

What's happening? Nothing, you say. Well, get involved with Inter-Varsity Christian Fellowship (IVCF). IVCF is not a sports club. It is an interdenominational group of students committed to the worship of Jesus Christ and his work on campus. We are affiliated with the national IVCF organization; however, our activities are completely student-run. Our purposes are three-fold: (1) To honestly share with other students the love of Jesus Christ--what he means in our lives and could mean in theirs, (2) To challenge and encourage students to grow in their personal relationships with Jesus Christ through studying the Bible, prayer, and Christian fellowship, (3) To inform students of campus concerns and world events, so that they might gain a perspective on their role and the role of the Christian community in responding to the needs of today.

We invite you to explore more of Inter-Varsity, and are looking forward to meeting you at any of our activities. We would be happy to answer any questions you may have concerning our group, or to serve you in any way that we can.
