President’s Report

President Kurtz extended a welcome to new Board of Trustees members White and Detty, thanking them for their commitment to serve SSU.

President Kurtz described his vision for an expanded role that the Trustees can and will need to play as advocates for the institution. Friendraising and fundraising is increasingly important in the spheres of government relations, traditional development, and non-traditional development to create new and diverse revenue streams. Shawnee State will increasingly promote a message for hand-up support rather than handouts, in an effort to make material progress toward the goal of the Governor and Lumina Foundation of 65% post-secondary attainment by 2025. Sons and daughters of college graduates are already attending post-secondary institutions at record high levels; therefore, for Ohio to meet the 65% goal by 2025, first generation student attendance and completion is absolutely necessary. The costs of educating these first generation students are substantially higher and thus Shawnee State has a legitimate need in seeking addition state funding toward that end.

President Kurtz also shared information about the upcoming Department of Higher Education Trustees Conference and encouraged trustee attendance as a sign of support for the state agency.

Applicable Procedures: 5.01:2 Reporting and Investigating Sexual Assault, Sexual Misconduct & Other Forms of Discrimination
5.01:5 Accommodation for Employees with Disabilities
5.01:6 Accommodation for Students with Disabilities
1.0 INTRODUCTION AND PURPOSE STATEMENT

1.1 This procedure serves to implement the investigation and complaint provisions of Policy 5.01, Non-Discrimination/Sexual Harassment, by identifying University pathways for students, employees and campus visitors to report sexual violence, sexual misconduct (sexual harassment), other unlawful discrimination, and retaliation, and to ensure that all discrimination complaints received by the University are reviewed and responded to promptly and in a fair and equitable manner.

1.2 This procedure further serves to provide additional focus on sexual misconduct and to ensure compliance with laws that serve to prevent sexual violence, including the Jeanne Clery Act and the Violence Against Women Reauthorization Act.

1.3 The terms “Complainant” and “Respondent” are used throughout this procedure. These terms are defined in Section 18, Definitions, along with terminology associated with sex and gender discrimination.

2.0 JURISDICTION AND APPLICATION

2.1 This procedure applies to complaints of sexual misconduct and other prohibited discrimination that take place at the following locations, events and circumstances:

2.1.1 On property that is owned, leased or managed by the University, including student housing and athletic fields.
2.1.2 At academic and non-academic University-sponsored events, and activities sponsored or conducted by student organizations.

2.1.3 That occur off-campus when the Title IX Coordinator or other administrator responsible for this procedure determines that the alleged off-campus conduct could reasonably create a hostile environment or be detrimental to the University.

2.2 This procedure applies to all aspects of the University’s programs and operations and applies to all employees, students, visitors, agents and volunteers.

3.0 EMPLOYEE DUTY TO REPORT

3.1 All University employees, except those exempted by legal privilege of confidentiality, such as University counselors, have an obligation under Ohio law to report incidents of a known sexual or other felonious assault to Public Safety or other law enforcement authority immediately.

3.2 Mandatory Reporters. The following University employees by virtue of their position are considered “mandatory reporters” and have an obligation to report a violation of the Non-Discrimination/Harassment policy when they become aware of information that would lead a reasonable person to believe that prohibited discrimination may have occurred involving anyone covered under this procedure:

3.2.1 Human Resources professionals

3.2.2 Student Affairs professionals, and para-professionals (resident advisors)

3.2.3 Supervisors

3.2.4 Academic department chairs, program directors, program coordinators, clinical coordinators and developmental directors

3.2.5 Faculty members, including adjuncts

3.2.6 Athletics coaches, assistant coaches, and trainers

3.2.7 Public Safety personnel

3.3 Any person obligated to report under this section and who fails to report or take appropriate action, is subject to discipline.

3.4 Any other person with knowledge or belief that sexual misconduct or other prohibited discrimination has occurred should report the alleged acts immediately.
to a University official identified in Section 5, Reporting Pathways, of this procedure.

3.5 The following employees are exempt from reporting:

3.5.1 University employees who serve as counselors in the University’s Counseling and Psychological Services; and

3.5.2 University employees in the SSU Health Clinic who have a professional license requiring confidentiality or are supervised by a person with such professional license are exempt from the duty to report.

4.0 FALSE ALLEGATIONS

4.1 It is a violation to knowingly make a false allegation or report of sexual misconduct, other discrimination or retaliation. Any employee or student found to knowingly or recklessly have made a false report or allegation is subject to discipline.

4.2 A University finding that sexual misconduct or other prohibited discrimination did not occur or that there was a lack of sufficient evidence to prove a claim of sexual misconduct/discrimination does not necessarily mean that a false allegation or report has been made.

5.0 REPORTING PATHWAYS

5.1 Any individual, student, employee or contractor or other campus visitor who has experienced, witnessed, or has been made aware of an incident of sexual misconduct/harassment, unwelcome sexual behavior, discrimination or retaliation, is encouraged to report it, even if the individual is uncertain whether discrimination, harassment or retaliation has occurred. Any victim, witness or other person, who wishes to consult with someone about an incident without making an official complaint may also contact a University official identified in the Reporting Pathways section of this procedure.

5.2 Reports of sexual misconduct/harassment, other discrimination and retaliation may be through the University’s Online Complaint Form http://www.shawnee.edu/offices/title-IX/complaint.aspx

Reports may also be directed to any of the below-identified University administrators or officials:

5.2.1 Sexual and Non-sexual Assault, and other crimes of violence

Individuals who experience or witness incidents that involve sexual assault, physical assault, or other violence or threatening behavior
should immediately contact law enforcement. The SSU Department of Public Safety should be contacted for criminal incidents that occur at a University-sanctioned event or on University-owned, leased or managed property, including student housing. The Department of Public Safety can be reached at by calling 740-351-3232. You may also call 911.

5.2.2 Sexual Misconduct
Any person (student, employee, contractor or visitor) may report a violation of sexual misconduct to the Title IX Coordinator or any Deputy Title IX Coordinator. For contact information see: http://www.shawnee.edu/offices/title-IX/coordinator.aspx

5.2.3 Other Forms of Discrimination

5.2.3.1 Students may report any discrimination violation to the Director of Housing and Residence Life or Dean of Students. For contact information see: http://www.shawnee.edu/offices/dean-students/

5.2.3.2 Employees may report any discrimination violation to the Director of Human Resources, a supervisor or higher ranking administrator. For contact information see: http://www.shawnee.edu/offices/human-resources/compliance.aspx#eeo

5.2.3.3 Campus visitors may report a violation to the Director of Human Resources. For contact information see: http://www.shawnee.edu/offices/human-resources/compliance.aspx#eeo

5.3 Making a report to one of the above listed University offices does not preclude an individual from also filing a complaint with an external agency, such as the Ohio Civil Rights Commission (OCRC), the Equal Employment Opportunity Commission (EEOC), or the Office for Civil Rights in the U.S. Department of Education (OCR). Nor does it extend time limits with those agencies. Information regarding filing charges with an outside agency may be obtained by contacting the agency directly or from Human Resources.

5.4 Anonymous Complaints and Requests for Anonymity

5.4.1 Anonymous complaints will be accepted, however, the University's ability to fully and effectively investigate may be limited.

5.4.2 In situations where a complainant requests anonymity or declines to participate in an investigation, the University will honor that request, if it is possible to do so while also protecting the health and safety of the
complainant and the University community. In such circumstances, the University may take other appropriate steps designed to eliminate the reported conduct, prevent its recurrence, and remedy its effects on the complainant and the University community.

5.4.3 In all circumstances, a complainant has a right not to participate in an investigation.

6.0 CONFIDENTIALITY AND PRIVACY

In order to protect all parties, every effort will be made to handle the matter throughout the investigative process as discreetly as possible, but it is not possible to guarantee absolute confidentiality. Information received during the course of the investigation will be treated as confidential, except to the extent it is necessary to disclose information in the investigation process or when required by law.

7.0 RETALIATION

The University will not tolerate retaliation in any form against any person who makes an allegation, reports, serves as a witness, assists a complainant or participates in the University’s investigation. Any employee or student determined to have committed retaliation, is subject to discipline in accordance with the applicable University process. Any visitor found to have retaliated is subject to a campus ban and other available legal remedies.

8.0 ROMANTIC AND SEXUAL RELATIONSHIPS IN SUPERVISORY AND INSTRUCTIONAL SETTINGS

8.1 Consensual romantic or sexual relationships in which one party retains a direct supervisory or evaluative role over the other party are unethical, create a risk for real or perceived coercion, and are expressly a violation of this policy. Furthermore, the possibility of a future amorous relationship may distort the present instructional or advising relationship.

8.2 Therefore, persons with direct supervisory, evaluative, grading, coaching, counseling, or academic advising responsibilities who are involved in such relationships must bring those relationships to the attention of their supervisor. This will likely result in the necessity to remove the employee from the supervisory, evaluative, grading, or academic advising responsibilities.

8.3 Shawnee State University does not intrude upon private choices regarding personal relationships when these relationships do not violate the policies of the University, cause harm to the safety and wellbeing of members of campus community, or increase the risk of harm to the safety and wellbeing of members of campus community.
9.0 CLASSROOM AND INSTRUCTIONAL SETTINGS

The classroom and other instructional setting may provide special circumstances since academic freedom protects the expression of ideas, even if controversial or offensive. However, conduct will not be exempt merely because it occurs in an instructional setting. The investigation relating to alleged offensive conduct will consider the legitimate pedagogical context and appropriate deference will be afforded to the presentation or discussion in an instructional setting of sexual topics that are mature, controversial, graphic or explicit and not considered sexual harassment, even if some persons find these topics offensive.

10.0 INTERIM MEASURES

10.1 Upon receipt of a report of a violation of the Non-Discrimination/Sexual Harassment Policy, the University will work with the complainant to take or identify measures for support in order to ensure equal access to the University’s education and employment programs and activities. Such support may be available before the final outcome of the investigation and may even be made without a formal investigation.

10.2 Student Interim measures include, but are not limited to:

10.2.1 No contact order
10.2.2 Change in housing assignment
10.2.3 Availability of off-campus resources
10.2.4 Counseling
10.2.5 Health services
10.2.6 Safety resources, including safety escort service
10.2.7 Academic support
10.2.8 Change in work or class schedule and/or location

10.3 Employee Interim measures include, but are not limited to:

10.3.1 No contact order
10.3.2 Availability of off-campus resources
10.3.3 Employee Assistance Program (EAP)
10.3.4 Safety resources, including safety escort service
10.3.5 Change in work schedule and/or location
11.0 INFORMAL RESOLUTION

11.1 An informal process to resolve a sexual misconduct/discrimination complaint may be appropriate in some circumstances when all parties agree. Informal or early resolution is encouraged when the parties desire to resolve the situation cooperatively and/or when a formal resolution is not likely to yield a satisfactory outcome. Participation in the informal resolution process is voluntary.

11.2 The University will not offer the informal process in cases of sexual violence or felonious assault.

11.3 If the University deems the matter appropriate for informal resolution, a University conduct officer (for students) or designated administrator will work with the parties towards a mutually agreed upon resolution.

11.3.1 The process may include an inquiry into the facts, informal discussion with the parties, mediation, and/or referral to counseling.

11.3.2 The resolution may include educational and training programs for either or both parties and specific remedies for the individual harmed by the offense.

11.3.3 Any party may end the early resolution process at any time and may choose to either begin the formal complaint process or to not further pursue the matter.

12.0 UNIVERSITY OFFICES RESPONSIBLE FOR CONDUCTING DISCRIMINATION INVESTIGATIONS

The University will investigate all reports of sexual misconduct and discrimination. Reports of sexual misconduct or other discrimination will be assessed and investigated by the following offices:

12.1 Sexual Misconduct.

The Title IX Coordinator or assigned deputy is responsible for the assessment and investigation of all reports of sexual misconduct. The Title IX Coordinator is responsible for monitoring all sexual misconduct investigations.

12.2 Other Discrimination

12.2.1 Reports made against a student will be assessed and investigated by the Director of Housing and Residence Life or Student Affairs Conduct Officer. The Director of Housing and Residence Life is also responsible for monitoring the investigation.
12.2.2 Reports made against an employee will be assessed and investigated by the Director of Human Resources or designee.

12.2.3 Reports made against an outside vendor, contractor or other visitor will be assessed and investigated by Public Safety or Human Resources.

13.0 COMPLAINT ASSESSMENT

13.1 In determining whether to pursue a formal investigation, an assessment will be made by the responsible official identified in Section 12 to determine whether the allegations are sufficiently specific and credible and what office(s) should be involved in the investigatory process.

13.2 The assessment will typically include a meeting with the complainant to clarify the complaint. Such meeting may also be an opportunity to assess whether the matter is appropriate for an informal resolution. (See Section 11, Informal Resolution.)

14.0 INVESTIGATION PROCESS

14.1 General Approach and Information

14.1.1 All parties will be informed of the investigative process and allegations being investigated.

14.1.2 The investigation generally will include interviews with the parties, interviews with other witnesses as determined by the investigator, and a review of relevant documents.

14.1.3 In cases of alleged sexual assault, relationship violence, or stalking, parties will be given timely and equal access to information that will be used during disciplinary meetings and hearings. In cases of non-violent sexual misconduct and other forms of discrimination, the investigator may, if deemed appropriate, equitably share information with all parties.

14.2 Interfering with an Investigation

14.2.1 Any party, witness, or other individual who interferes with a University investigation will be in violation of Policy 5.01 and this procedure, and is subject to discipline in accordance with the applicable University process. Interfering with an investigation includes, but is not limited to, the following:

14.2.1.1 Falsification, distortion, and/or misrepresentation of information at any point during the investigation or resolution process;
14.2.1.2 Attempting to discourage an individual’s participation in the investigation or resolution process;

14.2.1.3 Attempting to influence the impartiality of an investigator or decision-maker.

14.3 Support Person.

Parties may have one individual (example: friend, family member, union representative or student ombudsman) present during any investigation meeting, student hearing, or other disciplinary proceeding that the party is noticed to attend. The support person does not serve as a spokesperson and may not unreasonably interject or interfere during any interview, meeting or hearing. If a support person is determined to be unreasonably interfering with the meeting or proceeding, that individual may be asked to leave.

14.4 Standard of Review.

The investigator and decision-maker will apply the “preponderance of evidence” standard to determine whether a violation of this policy has occurred. Therefore, if a violation of Policy 5.01, Non-Discrimination/Sexual Harassment, is found, the behavior is more likely than not to have occurred.

14.5 Investigation Timeframe.

14.5.1 A typical investigation will take approximately 60 calendar days following receipt of the complaint. This will vary depending on the complexity of the investigation and the severity and extent of the alleged discriminatory violation.

14.5.2 The process may also be extended if necessary due to holidays and academic breaks, illness, and unavailability of parties or witnesses.

15.0 INVESTIGATIVE FINDINGS

The investigator will report to the decision-making administrator of the investigative finding and may, if advised by the decision-making administrator, include recommended corrective actions. If the respondent is a student, the final report will be directed to the Dean of Students. If the respondent is an employee, the final report will be directed to the appropriate department or administrator responsible for the supervision and discipline of the employee. A written summary report will be provided to the parties.
16.0 RESOLUTION, CORRECTIVE ACTION AND OTHER REMEDIES

16.1 If the investigative report concludes that no violation of the discrimination policy occurred, the disciplinary process will not be initiated, no corrective action will be taken and the parties will be notified in writing.

16.2 If the investigative report concludes that a violation may have or has likely occurred, the matter will follow a University disciplinary review process described below. Corrective actions may include formal reprimand, suspension and termination.

16.2.1 If respondent is a University employee:

16.2.1.1 Full-time regular faculty member. The disciplinary review process for a full time regular faculty member is described in the article titled “Complaint Resolution and Disciplinary Process” in the collective bargaining agreement between the University and the Shawnee Education Association (SEA). The matter will be reviewed by the College Dean. This process provides a pathway for appeal.

16.2.1.2 Administrative and Administrative Technical Support Staff (ATSS), which includes managerial, supervisory, administrative and Public Safety employees, are subject to SSU Policy 4.51, which addresses “corrective action.” The matter will be reviewed by either the Vice President for the employee’s division or other senior level administrator.

Link to University policy: http://www.shawnee.edu/leadership/policies/media/policy-451rev.pdf

16.2.1.3 Hourly employees (non-administrative). The disciplinary review process for full-time and regular part-time hourly employees is described in the article titled “Discipline” in the collective bargaining agreement between the University and the Communications Workers of America (CWA). The matter will be reviewed by either the Vice President for the employee’s division or other senior level administrator.

16.2.1.4 Security officers. The disciplinary review process for security officers is addressed in Policy 4.85, Corrective Action. Link: [http://www.shawnee.edu/leadership/policies/media/policy-485.pdf](http://www.shawnee.edu/leadership/policies/media/policy-485.pdf)

16.2.2 If the respondent is a student, the judicial hearing process in the Student Conduct Code will be followed. Potential sanctions under the Student Conduct Code include official warnings, remedial sanctions, disciplinary probation, deferred suspension, suspension, dismissal, and other educational sanctions deemed appropriate. The Conduct Code provides a pathway for an appeal.

[http://www.shawnee.edu/offices/dean-students/media/student-conduct-code.pdf](http://www.shawnee.edu/offices/dean-students/media/student-conduct-code.pdf)

16.2.3 When the respondent is not affiliated with the University, the recommendations will be implemented by the appropriate office. The University response may include a permanent ban from campus.

16.3 In all cases of alleged violation of the policy, the respondent student or employee will be informed in writing of the finding and any recommendation for sanctions or corrective action. The complainant will be informed in writing of the finding, any actions taken to resolve the complaint that are directly related to the complainant, and any disciplinary action or sanction imposed when the complainant needs to be aware of the sanction for it to be fully effective (e.g., restrictions on communication or contact with the complainant).

16.4 In cases of sexual assault, relationship violence, or stalking, parties will receive notice of findings simultaneously, in writing, including notice of all sanctions or corrective actions imposed.

17.0 OTHER REMEDIES

When the University makes a finding of a policy violation it will take steps, whether individual or systemic, to stop the alleged sexual misconduct or other discrimination, prevent its recurrence, eliminate any hostile environment, and remedy the discriminatory effects on the complainant and others, as appropriate.

18.0. DEFINITIONS

18.1 Complainant The individual who files a report or on whose behalf a report is filed.

18.2 Respondent The individual against whom a report has been filed.
18.3 Sex and Gender Based Discrimination  
Negative or adverse treatment based on sex (including sexual harassment, sexual violence, sexual misconduct, relationship violence (domestic violence or dating violence) or stalking), gender, gender identity, sexual orientation, or pregnancy, and the treatment denies or limits the individual’s ability to obtain the benefits of Shawnee State’s programs or activities.

18.4 Gender Identity  
A person’s innermost concept of self as male or female or both or neither—how individuals perceive themselves and what they call themselves. One's gender identity can be the same or different than the sex assigned at birth.

18.5 Sexual Orientation  
A person’s sexual identity in relation to the gender to which they are attracted; the fact of being heterosexual, homosexual, or bisexual.

18.6 Sexual Harassment

18.6.1 Sexual harassment includes sexual advances, requests for sexual favors, and other physical or verbal conduct of a sexual nature that is unwelcome and sufficiently severe or pervasive from both a subjective (the complainant's) and an objective (reasonable person's) viewpoint.

18.6.2 Sexual harassment can take two forms - quid pro quo or hostile environment:

18.6.2.1 Quid pro quo sexual harassment exists when:

18.6.2.1.1 There are unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature; and

18.6.2.1.2 Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or academic status; or

18.6.2.1.3 Submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions adversely affecting such individual.

18.6.2.2 Hostile environment in the employment context includes any situation in which there is harassing conduct that is sufficiently severe, persistent, or pervasive that it unreasonably interferes with an individual’s work performance or creates an intimidating, hostile or offensive work environment; hostile environment in the education context includes any situation in
which there is harassing conduct that limits, interferes with or denies educational benefits or opportunities, from both a subjective (the complainant’s) and an objective (reasonable person’s) viewpoint. The determination of whether an environment is “hostile” is based on a totality of circumstances. These circumstances may include:

18.6.2.2.1 The degree to which the conduct interfered with complainant’s educational or work performance;

18.6.2.2.2 The type, frequency, and duration of the conduct;

18.6.2.2.3 The identity of and relationship between the accused and the complainant(s);

18.6.2.2.4 The number of individuals involved;

18.6.2.2.5 The age and sex of the accused and the complainant(s);

18.6.2.2.6 The location of the incident(s) and the context in which it occurred;

18.6.2.2.7 The nature and severity of the conduct;

18.6.2.2.8 Whether the conduct was physically threatening;

18.6.2.2.9 Whether the conduct was humiliating;

18.6.2.2.10 The effect of the conduct on the complainant’s mental or emotional state;

18.6.2.2.11 Whether the conduct arose in the context of other discriminatory conduct;

18.6.2.2.12 Whether the speech or conduct deserves the protections of academic freedom or the first amendment.

18.6.3 A single or isolated incident of sexual harassment (e.g., rape) may be severe enough to create a hostile environment. All such acts of sexual harassment are forms of sexual misconduct covered under this policy.

18.7 Sexual Misconduct is conduct of a sexual nature or conduct based on sex or gender that is non-consensual or has the effect of threatening, intimidating, or coercing a person.
18.8 Sexual Violence refers to physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent due to the person’s use of drugs or alcohol. An individual also may be unable to give consent due to an intellectual or other disability. A number of different acts fall into the category of sexual violence, including: rape, sexual assault, and sexual coercion. All such acts of sexual violence are forms of sexual harassment covered under Title IX. Gender-based violence may be directed at a person because of the person’s gender, gender identity or perceived gender/gender identity.

18.9 Sexual Assault is any type of sexual contact or behavior that meets the definition of non-consensual sexual intercourse or of non-consensual sexual contact.

18.9.1 Non-consensual sexual contact is any intentional sexual touching, however slight, with any body part or object, by any individual upon another individual that is without consent and/or by force or coercion.

18.9.2 Sexual contact includes: intentional contact with the breasts, buttocks, groin, or genitals, or touching another with any of these body parts or object, or making another touch you or themselves with or on any of these body parts; any intentional bodily contact in a sexual manner, though not involving contact with/of/by breasts, buttocks, groin, genitals, mouth, or other orifice. All such acts of non-consensual sexual contact are forms of sexual assault, and therefore sexual misconduct, covered under this policy.

18.9.3 Non-consensual sexual intercourse is any sexual penetration, however slight, with any body part or object, by any individual upon another individual that is without consent and/or by force or coercion.

18.9.4 Sexual penetration includes: vaginal penetration by a penis, object, tongue or finger; anal penetration by a penis, object, tongue, or finger; and oral copulation (mouth to genital contact or genital to mouth contact); no matter how slight the penetration or contact. All such acts of non-consensual sexual intercourse are forms of sexual assault, and therefore sexual misconduct, covered under this policy.

18.10 Relationship Violence includes dating violence and domestic violence. All such acts of relationship violence are forms of sexual misconduct covered under this procedure.

18.10.1 Domestic Violence is that which would meet the definition of a felony or misdemeanor crime of violence committed by the complainant’s current or former spouse or intimate partner, a person with whom the complainant shares a child in common, a person who is or has cohabitated with the complainant as a spouse or intimate partner, or individual similarly situated to a spouse under domestic or family
violence law, or anyone else protected under the domestic or family violence law of the jurisdiction in which the offense occurred. An individual need not be charged with or convicted of a criminal offense to be found responsible for domestic violence pursuant to this policy.

18.10.2 Dating violence is violence or threat of violence by an individual who has been in a social relationship of a romantic or intimate nature with the complainant. Whether there was such relationship will be determined based on the reporting party’s statement and with consideration of the length and type of relationship, and the frequency of interaction of the persons involved in the relationship.

18.11 Consent is permission that is clear, knowing, voluntary, and expressed prior to engaging in and during an act. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in (and the conditions of) sexual activity.

18.11.1 Consent to any one form of sexual activity cannot automatically imply consent to any other forms of sexual activity.

18.11.2 Consent may be withdrawn at any time.

18.11.3 Previous relationships or prior consent cannot imply consent to future sexual acts; this includes “blanket” consent (i.e., permission in advance for any/all actions at a later time/place).

18.11.4 Consent cannot be given by an individual who one knows to be—or based on the circumstances should reasonably have known to be—substantially impaired (e.g., by alcohol or other drug use, unconsciousness or blackout, etc.).

18.11.5 Substantial impairment is a state when an individual cannot make rational, reasonable decisions because she/he lacks the capacity to give knowing consent (e.g., to understand the “who, what, when, where, why, or how” of their sexual interaction).

18.11.6 This policy also covers individuals whose substantial impairment results from other physical or mental conditions including mental disability, sleep, involuntary physical restraint, or from the consumption of alcohol or other drugs.

18.11.7 Being impaired by alcohol or other drugs will never function as a defense for any behavior that violates this policy.
18.11.8 An individual cannot consent who has been coerced, including being compelled by force, threat of force, or deception; who is unaware that the act is being committed; or who is coerced by a supervisory or disciplinary authority.

18.12 Stalking is a course of conduct directed at a specific individual that would cause a reasonable person under similar circumstances and with similar identities to the complainant to fear for her, his, or others' safety, or to suffer substantial emotional distress. A course of conduct includes two or more acts, including but not limited to, those in which the alleged perpetrator directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about the complainant, or interferes with the complainant's property.

1.0 PURPOSE

The University is committed to providing administrators and administrative technical support staff (ATSS) with appropriate avenues for employees to take time away from work assignments and for the University to remain fully compliant with applicable regulatory provisions for various forms of leaves that are essential to the health and wellbeing of University employees. This policy identifies the holidays that are observed by the University, provides for the accrual and use of vacation, and defines the various forms of leaves of absences (LOAs) that are available.

2.0 HOLIDAYS

2.1 The following are designated University holidays:

will be observed on the Friday after Thanksgiving and on the day before Christmas Day.

2.3 If any of the holidays as provided herein falls on Saturday, the Friday immediately preceding shall be observed as the holiday. If any of the holidays as provided herein falls on Sunday, the Monday immediately succeeding shall be observed as the holiday.

3.0 VACATION LEAVE AND PERSONAL LEAVE

3.1 The University regards a vacation as a period of rest and relaxation earned for past service. Since the annual vacation is important to the wellbeing of employees and their families, employees are encouraged to utilize all earned vacation.

3.2 The vacation year upon which accrual is based is July 1 through June 30.

3.3 Full-time employees accrue vacation leave based upon the schedule below. Part-time employees who work twelve months will receive pro-rated vacation.

3.4 Employees working less than twelve months per year will not accrue vacation. Instead they will receive two personal days per year on July 1st which may be used with sufficient notice to arrange coverage and supervisor approval. Unused personal days will not carry over from year to year. These days will be added to the employee’s leave balance upon hire and will expire each year on June 30th.

3.5 An employee may accumulate a maximum of two (2) times the accrued days of vacation earned in one year. This amount may be carried over from year to year. With approval of the division vice president, an additional amount may be carried over when vacation cannot be taken due to operational needs outside the employee’s control. An employee may carry over unused vacation leave from year to year as required by operational needs.
3.6 A newly hired employee’s vacation accrual rate may include previous full time service with a State of Ohio state agency or political subdivision with the following conditions:

3.6.1 The employee must inform and provide written documentation to the Department of Human Resources within ninety (90) days of employment that s/he has full time service with a state agency or political subdivision of the State of Ohio. In such case, the employee’s accrual will be adjusted to the appropriate rate from the date of employment with the University.

3.6.2 Notification by the employee to the Department of Human Resources received after ninety (90) days of employment with the University will be applied to the employee’s accrual rate beginning the next full pay period in which the request and required documentation are received by Human Resources.

3.6.3 The employee’s adjusted accrual balance (whether retroactive to the employment date or a later date) will be reflected on the pay records beginning with the next full pay period after receipt of required documentation.

3.6.4 A year of full time service with a state agency or political subdivision is considered as twenty-six (26) biweekly periods.

3.7 Employees requesting vacation leave must complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs.

3.8 Consistent, excessive vacation leave requests (over 3 weeks in a single instance) may have a negative impact on the operation and will be considered only as an exception with accompanying extenuating circumstances. Requests of this nature will require a written rationale with supervisor approval, as well as the approval of the division vice president.

3.9 When an official University observed holiday falls within an employee’s vacation that day will not be charged as vacation.

3.10 All accrued vacation must be exhausted before an unpaid leave of absence commences.
3.11 Employees who retire or resign will be paid for earned but unused vacation up to a maximum of two times the accrued days of vacation in one year at the time of his/her departure. In the event of the death of an employee, vacation pay for vacation earned but not taken up to a maximum of two times the accrued days of vacation in one year will be paid to the estate of the employee.

3.12 The Department of Human Resources will maintain an up-to-date record of vacation for each employee. Any questions concerning vacation record-keeping should be directed to Human Resources.

4.0 SICK LEAVE

4.1 Sick leave shall be used for an absence from work because of illness, medical, dental or optical examination or treatment of the employee or immediate family member or death of a member of the employee’s immediate family. The definition of an immediate family member includes: grandparents, brother, sister, brother-in-law, sister-in-law, daughter-in-law, son-in-law, father, father-in-law, mother, mother-in-law, spouse, child, grandchild, legal guardian, or other person who stands in the place of a parent.

4.2 Upon hire, a full-time Administrator or ATSS employee will receive one hundred and twenty (120) hours of sick leave credited to his/her leave account.

4.3 After the first year of employment and thereafter, sick leave will accrue for full-time Administrators and ATSS pro-rated each pay period for a maximum of 120 hours per year.

4.4 Upon hire, the part-time Administrator or ATSS employee will receive a pro-rated amount of sick leave credited to his/her leave account, based upon the employee’s full-time equivalency (FTE) percentage determined at the time of hire. For example, a half-time employee (.50 FTE) will be eligible for a credit of sixty (60) hours of sick leave, etc.

4.5 After the first year of employment and thereafter, sick leave shall accrue for part-time administrators and ATSS at a pro-rated amount based upon the employee’s FTE for each day in any given pay period.

4.6 An Administrator or ATSS may transfer into their University sick leave account any accumulated, documented, and verified sick leave balance that has been
accumulated by a school system, government agency, department or institution of the government of the State of Ohio. If the employee elects to do so and informs the Department of Human Resources within ninety (90) days of his/her employment date, he/she may elect to transfer any unused and unpaid sick leave balance above one-hundred and twenty (120) hours to their Shawnee State University sick leave account. This amount will be in addition to the University credited amount. For example, if the employee had six hundred and twenty (620) hours of unused and unpaid sick leave from a prior state of Ohio employer, then five hundred (500) hours could be transferred to Shawnee State University.

4.7 There is no maximum applied to the amount of sick leave that may be accumulated during active employment.

4.8 The sick leave account balance will be reduced an hour for each hour of sick leave used. As an alternative to using up sick leave hours, the employee and supervisor may use flexible scheduling (working less hours of the normal schedule and making those hours up another time or day) to account for time off for medical appointments or other reasons which would otherwise be used as sick leave hours. For ATSS, hours must be made up within the same week, or if not, the sick leave account will be reduced an hour for each hour of sick leave used.

4.9 Sick leave may be utilized for an authorized absence from scheduled duties due to illness, accident, exposure to contagious disease, family emergencies requiring the attendance of the employee, dental or optical examination or treatment, pregnancy and/or childbirth and related conditions, or death in the immediate family.

4.10 Employees requesting sick leave (including leave that qualifies under the Family and Medical Leave Act – FMLA) must complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs, thirty (30) days in advance of the need, if foreseeable and such notice is practicable. If it is not possible for the leave request form to be submitted in advance of the leave, it must be approved by supervision and submitted to Human Resources upon return from the absence. Time on approved sick leave will run concurrent with an approved leave under FMLA (refer to section 5.0 below).

4.11 If an employee is expected to be off more than five (5) consecutive work days, a signed or official doctor’s statement must be submitted in advance to the supervisor or Human Resources. If an employee does not have advance warning, the doctor’s statement must be provided to the supervisor or Human Resources as
soon as practicable after the employee knows he/she will be off more than five (5) consecutive days and in no event any later than the date the employee returns to work (unless more time is granted by the Director of Human Resources or designee).

4.12 In situations involving Family and Medical Leave, or leave involving less than five (5) consecutive work days, and there are habitual absences, a doctor's statement may be required upon the request of the supervisor or Human Resources. All doctors' statements shall be in the form of a signed or official statement from the attending physician, stating the general nature of the illness, date of medical treatment, and the conditions under which the employee is released to return to work or a statement from the attending physician verifying the illness or injury of the employee's immediate family. The failure to submit doctor's statements, or the failure to submit proper leave forms to Human Resources, may result in delay of payment for the time missed.

4.13 The Administrator or ATSS, upon official state retirement from active service or upon separation of employment by an ARP participant who meets the eligibility requirements under the OPERS or STRS retirement systems and with ten or more years of full-time service with the University (including predecessor institutions), will be paid in cash for one-fourth of the value of their sick leave balance, up to one hundred sixty days (320 hours). Payment will be based upon the employee's rate of pay at the time of retirement. Any unpaid leave remaining on the Shawnee State sick leave account will be available for use upon rehire (unless hired into a position that does not provide sick leave). In the event of an employee's death, the estate is not entitled to unused sick leave.

4.14 The cash payout of sick leave balance as provided in section 4.13 will be made only once to any Administrator or ATSS. An employee, who received such cash payout rehired by the University after retirement, may accrue and use sick leave while actively employed but shall not convert to cash any unused sick leave balance at the time of a second retirement.

4.15 Intentional misuse of the sick leave provision herein may be considered grounds for disciplinary action. Non-compliance with sick leave rules and regulations may result in the Administrator or ATSS not receiving pay for the requested sick leave.

5.0 FAMILY AND MEDICAL LEAVE POLICY

5.1 SCOPE
Employees with one year of service with the University and who have worked for 1,250 hours in the previous 12 month period are eligible for up to twelve weeks of paid (existing sick leave and/or vacation) and/or unpaid leave for qualifying events, in a twelve month period (rolling year, see CFR 29, Part 825.200). Qualifying events are:

5.1.1 Childbirth (due to the birth or to care for the newborn child) – within twelve months following the birth of the employee’s child.

5.1.2 Adoption or foster care – within twelve months of the adoption or placement of a child for foster care.

5.1.3 Serious personal illness –
   5.1.3.1 A serious health condition that results in a period of incapacity for more than three days during which the employee is unable to work, or
   5.1.3.2 A chronic condition requiring a regimen of ongoing care by a health care provider that intermittently (less than three days) renders the employee unable to work while seeking treatment or while recovering from the condition.

5.1.4 Serious illness of a member of the employee’s immediate family – a serious health condition (as defined in 5.1.1.3 above) which requires the employee to provide care. Immediate family is: father, mother, spouse and child (under 18 or over 18 if incapable of self-care.)

5.1.5 Qualifying exigency arising out of the fact that the employee’s spouse, child, or parent is a covered military member on active duty, or has been called to active duty, in support of a contingency operation.

5.1.6 Care for a covered service member with a serious injury or illness if the employee is the spouse, child, parent or next of kin of the service member.

5.2 LENGTH OF LEAVE/PAID OR UNPAID

Family and Medical Leave provides an eligible employee to take up to twelve workweeks of leave per rolling twelve-month period. Employees will first use sick leave, where appropriate, prior to vacation and any unpaid leave. Employees will use vacation and any comp time prior to any unpaid leave after sick leave is
exhausted or for events where sick leave is inappropriate. Family Medical Leave coordinates and runs concurrently with other paid and unpaid leaves.

5.3 CHILDBIRTH AND ADOPTION TIMEFRAME

Leave under this policy which pertains to care for a newborn, adopted, or foster child may only be taken within twelve months of the child's birth or placement into the employee's home.

5.4 CERTIFICATION FOR HEALTH LEAVE

If an employee requires leave for a serious health condition for himself/herself or a spouse, parent, or child a health care provider's certification shall be required stating the commencement date and probable duration of the condition and the medical facts substantiating the condition. The University may require an independent examination at no cost to the employee.

5.5 NOTICE OF THE LEAVE

Employees must provide at least thirty days' advance notice if the leave is foreseeable. If the leave must begin within fewer than thirty days, the employee must provide notice as soon as practicable.

5.6 EMPLOYMENT AND BENEFITS PROTECTION

Any employee who takes leave under the provisions of this policy, on return from such leave shall be restored by the University to the position of employment held by the employee when the leave commenced or be restored to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

5.7 CONTINUATION OF HEALTH PLAN COVERAGE

If after the exhaustion of all forms of paid leave, a period of unpaid leave is required to complete the twelve week leave given through this policy, the University shall maintain the coverage under the group health plan for this period under the conditions coverage would have been provided if the employee had continued in employment continuously for the duration of the leave. Upon return to work, the employee must make arrangements with the Department of Human
Resource to make up the employee contributions missed for insurance coverage while on unpaid leave.

5.8 RETURN FROM LEAVE

If the employee fails to return from Family and Medical Leave, the University may recover the premium that the employer paid for maintaining coverage for the employee under the group health plan during any period of unpaid leave.

6.0 DISABILITY LEAVE

6.1 APPLICATION

6.1.1 Full-time Administrators and ATSS may be granted a disability leave of absence in the event of a disabling illness or injury (except work related in which case workers' compensation rules will apply) that extends beyond leave provided under FMLA.

6.1.2 Approval of such leave is contingent upon the employee submitting a satisfactory written physician's statement attesting that the essential functions of the assigned position cannot be performed.

6.1.3 The University can request that an examination be completed by a physician of its choosing. In such case, the University will pay for the cost of the examination.

6.1.4 Written application to the Department of Human Resources should be made as early as possible and must include a statement from the attending physician with a projected return date.

6.2 DURATION AND RETENTION

6.2.1 The duration of disability leave will be based on the projected return date provided by the attending physician. An initial request for disability leave may be for one year or less. A disability leave may be extended one additional year with a request for such extension to be made no later than sixty (60) days prior to the originally scheduled return date. The total amount of time on such leave, paid or unpaid, for the same injury or illness, may not exceed two years. The amount of time shall be reduced by family medical leave used for the same injury or illness.
6.2.2 In order to be paid leave, the employee will use earned but unused sick, vacation, or comp time. All types of paid leave must be used prior to unpaid leave.

6.2.3 Prior to returning to work, the employee must provide the University with the attending physician’s release attesting to his/her ability to perform the essential job duties. The University may request an independent examination as identified in 6.1.3 above.

6.2.4 The employee will retain reinstatement rights to his/her current position if the disability leave is six (6) months or less. If such leave time exceeds six (6) months, up to a maximum of twelve (12) months, the University will place such employee in the same or similar position in which the employee possesses the required qualifications necessary to perform the essential responsibilities. The University will make every effort to reinstate an employee to the same or similar position if such leave exceeds one year.

6.3 INSURANCE COVERAGE

6.3.1 The University will continue group health insurance throughout the period of an approved paid leave.

6.3.2 The University will continue group health insurance throughout the period of an approved unpaid leave for a maximum of six (6) months.

6.3.3 While on an approved unpaid leave (other than FMLA), the employee must timely remit the established insurance contribution payments for the duration of the leave. If the employee payment contributions are not timely remitted, the employee will forfeit University-provided health plan coverage and may elect health plan continuation under COBRA at 102% of the full cost of the University’s health plan.

6.3.4 The University will continue group health insurance as provided in the Family and Medical Leave Act (FMLA) of 1993 as currently amended, and offer group health continuation and conversion benefits as provided under the Consolidated Omnibus Reconciliation Act (COBRA).

6.4 DISABILITY RETIREMENT REINSTATEMENT
In the case of an employee who has been granted a disability retirement through OPERS or STRS, the period of reinstatement shall be in accordance with the prevailing rules of the state retirement system. An employee who wishes to be reinstated from disability retirement must make written application to the appropriate Vice President and must complete a "fit to return to duty" examination showing recovery from the disability or injury and attest that the essential functions of the position can be performed. The physical examination shall be given by a licensed physician designated by the University or in the case of disability retirement, by a physician designated by the state retirement system. The cost of such examination will be borne by the individual. No application for reinstatement will be valid if filed after the date that an employee is eligible for service retirement with the state retirement system. The University will consider an application submitted under this provision, however, reinstatement is not guaranteed.

6.5 Employees requesting disability leave must complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs.

7.0 WORKERS’ COMPENSATION LEAVE

Workers’ compensation leave will be provided as set forth in the Ohio statutes (ORC Chapter 4123) for workplace injuries and/or occupational diseases. Additional information may be found on the University website at the Office of Human Resources webpages.

8.0 COURT/JURY DUTY LEAVE

8.1 An employee who is required to report for jury duty or is subpoenaed to appear before any court, commission board, or other legally constituted body, where the employee is not a party to the action, shall be entitled to leave with pay for the scheduled work hours lost as the result of such duty. For ATSS employees, the employees will be compensated by the University in an amount equal to his/her straight-time (non-overtime) rate of pay. For both Administrators and ATTS employees, their normal pay will paid to them while on jury duty, less the amount received by the employee from the government for such appearance. An employee who reports for such duty and is excused shall immediately contact his/her immediate supervisor and report for work, if requested. In order to be paid by the University for such leave the employee must submit to Human Resources written proof, executed by the administrator of the court showing the duration of such duty and the amount of compensation received for such duty.
8.2 Employees requesting court/jury duty leave must complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs.

9.0 MILITARY LEAVE

9.1 An employee who is unable to report for regularly scheduled work because the employee is required to report for duty as an active duty member of the armed forces, a reserve member of the armed forces, or as a member of the Ohio National Guard shall be compensated in accordance with Ohio law.

9.2 The University will adhere to any federal or state laws enacted during the term of this Agreement regarding employer responsibilities toward active employees who are members of the armed forces.

9.3 To be eligible for this leave and in accordance with federal and state law, the employee is expected to provide the order or written statement from the appropriate military commander to his/her supervisor which shall be forwarded to Human Resources.

1.0 PURPOSE

The University is committed to providing administrators and administrative technical support staff (ATSS) with appropriate avenues for employees to take time away from work assignments and for the University to remain fully compliant with applicable regulatory provisions for various forms of leaves that are essential to the health and wellbeing of University employees. This policy identifies the holidays that are observed by the University, provides for the accrual and use of vacation, and defines the various forms of leaves of absences (LOAs) that are available.

2.0 HOLIDAYS

2.1 The following are designated University holidays:

2.2 The University will develop a schedule each year that will allow for designated holidays to be observed. The two holidays marked with an asterisk (*) on the list...
will be observed on the Friday after Thanksgiving and on the day before Christmas Day.

2.3 If any of the holidays as provided herein falls on Saturday, the Friday immediately preceding shall be observed as the holiday. If any of the holidays as provided herein falls on Sunday, the Monday immediately succeeding shall be observed as the holiday.

3.0 VACATION LEAVE AND PERSONAL LEAVE

3.1 The University regards a vacation as a period of rest and relaxation earned for past service. Since the annual vacation is important to the wellbeing of employees and their families, employees are encouraged to utilize all earned vacation.

3.2 The vacation year upon which accrual is based is July 1 through June 30.

3.3 Full-time employees accrue vacation leave based upon the schedule below. Part time employees who work twelve months will receive pro-rated vacation.

<table>
<thead>
<tr>

</tbody>
</table>

3.4 Employees working less than twelve months per year will not accrue vacation. Instead they will receive two personal days per year on July 1st which may be used with sufficient notice to arrange coverage and supervisor approval. Unused personal days will not carry over from year to year. These days will be added to the employee’s leave balance upon hire and will expire each year on June 30th.

3.5 An employee may accumulate a maximum of two (2) times the accrued days of vacation earned in one year. This amount may be carried over from year to year. With approval of the division vice president, an additional amount may be carried over when vacation cannot be taken due to operational needs outside the employee’s control.
3.6 A newly hired employee’s vacation accrual rate may include previous full time service with a State of Ohio state agency or political subdivision with the following conditions:

3.6.1 The employee must inform and provide written documentation to the Department of Human Resources within ninety (90) days of employment that s/he has full time service with a state agency or political subdivision of the State of Ohio. In such case, the employee’s accrual will be adjusted to the appropriate rate from the date of employment with the University.

3.6.2 Notification by the employee to the Department of Human Resources received after ninety (90) days of employment with the University will be applied to the employee’s accrual rate beginning the next full pay period in which the request and required documentation are received by Human Resources.

3.6.3 The employee’s adjusted accrual balance (whether retroactive to the employment date or a later date) will be reflected on the pay records beginning with the next full pay period after receipt of required documentation.

3.6.4 A year of full time service with a state agency or political subdivision is considered as twenty-six (26) biweekly periods.

3.7 Employees requesting vacation leave must complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs.

3.8 Consistent, excessive vacation leave requests (over 3 weeks in a single instance) may have a negative impact on the operation and will be considered only as an exception with accompanying extenuating circumstances. Requests of this nature will require a written rationale with supervisor approval, as well as the approval of the division vice president.

3.9 When an official University observed holiday falls within an employee’s vacation that day will not be charged as vacation.

3.10 All accrued vacation must be exhausted before an unpaid leave of absence commences.
3.11 Employees who retire or resign will be paid for earned but unused vacation up to a maximum of two times the accrued days of vacation in one year at the time of his/her departure. In the event of the death of an employee, vacation pay for vacation earned but not taken up to a maximum of two times the accrued days of vacation in one year will be paid to the estate of the employee.

3.12 The Department of Human Resources will maintain an up-to-date record of vacation for each employee. Any questions concerning vacation record-keeping should be directed to Human Resources.

4.0 SICK LEAVE

4.1 Sick leave shall be used for an absence from work because of illness, medical, dental or optical examination or treatment of the employee or immediate family member or death of a member of the employee’s immediate family. The definition of an immediate family member includes: grandparents, brother, sister, brother-in-law, sister-in-law, daughter-in-law, son-in-law, father, father-in-law, mother, mother-in-law, spouse, child, grandchild, legal guardian, or other person who stands in the place of a parent.

4.2 Upon hire, a full-time Administrator or ATSS employee will receive one hundred and twenty (120) hours of sick leave credited to his/her leave account.

4.3 After the first year of employment and thereafter, sick leave will accrue for full-time Administrators and ATSS pro-rated each pay period for a maximum of 120 hours per year.

4.4 Upon hire, the part-time Administrator or ATSS employee will receive a pro-rated amount of sick leave credited to his/her leave account, based upon the employee’s full-time equivalency (FTE) percentage determined at the time of hire. For example, a half-time employee (.50 FTE) will be eligible for a credit of sixty (60) hours of sick leave, etc.

4.5 After the first year of employment and thereafter, sick leave shall accrue for part-time administrators and ATSS at a pro-rated amount based upon the employee’s FTE for each day in any given pay period.

4.6 An Administrator or ATSS may transfer into their University sick leave account any accumulated, documented, and verified sick leave balance that has been
accumulated by a school system, government agency, department or institution of
the government of the State of Ohio. If the employee elects to do so and informs
the Department of Human Resources within ninety (90) days of his/her
employment date, he/she may elect to transfer any unused and unpaid sick leave
balance above one-hundred and twenty (120) hours to their Shawnee State
University sick leave account. This amount will be in addition to the University
credited amount. For example, if the employee had six hundred and twenty (620)
hours of unused and unpaid sick leave from a prior state of Ohio employer, then
five hundred (500) hours could be transferred to Shawnee State University.

4.7 There is no maximum applied to the amount of sick leave that may be
accumulated during active employment.

4.8 The sick leave account balance will be reduced an hour for each hour of sick
leave used. As an alternative to using up sick leave hours, the employee and
supervisor may use flexible scheduling (working less hours of the normal
schedule and making those hours up another time or day) to account for time off
for medical appointments or other reasons which would otherwise be used as sick
leave hours. For ATSS, hours must be made up within the same week, or if not,
the sick leave account will be reduced an hour for each hour of sick leave used.

4.9 Sick leave may be utilized for an authorized absence from scheduled duties due to
illness, accident, exposure to contagious disease, family emergencies requiring the
attendance of the employee, dental or optical examination or treatment, pregnancy
and/or childbirth and related conditions, or death in the immediate family.

4.10 Employees requesting sick leave (including leave that qualifies under the Family
and Medical Leave Act – FMLA) must complete and sign a Request for Leave
Form, obtain the signature of their supervisor and send the original form to
Human Resources prior to the end of the pay period in which the leave occurs,
thirty (30) days in advance of the need, if foreseeable and such notice is
practicable. If it is not possible for the leave request form to be submitted in
advance of the leave, it must be approved by supervision and submitted to Human
Resources upon return from the absence. Time on approved sick leave will run
concurrent with an approved leave under FMLA (refer to section 5.0 below).

4.11 If an employee is expected to be off more than five (5) consecutive work days, a
signed or official doctor’s statement must be submitted in advance to the
supervisor or Human Resources. If an employee does not have advance warning,
the doctor’s statement must be provided to the supervisor or Human Resources as

@ 12-7-16
Certified as True and Correct
Secretary, RSU Board of Trustees
12-7-16
soon as practicable after the employee knows he/she will be off more than five (5) consecutive days and in no event any later than the date the employee returns to work (unless more time is granted by the Director of Human Resources or designee).

4.12 In situations involving Family and Medical Leave, or leave involving less than five (5) consecutive work days, and there are habitual absences, a doctor's statement may be required upon the request of the supervisor or Human Resources. All doctors' statements shall be in the form of a signed or official statement from the attending physician, stating the general nature of the illness, date of medical treatment, and the conditions under which the employee is released to return to work or a statement from the attending physician verifying the illness or injury of the employee's immediate family. The failure to submit doctor's statements, or the failure to submit proper leave forms to Human Resources, may result in delay of payment for the time missed.

4.13 The Administrator or ATSS, upon official state retirement from active service or upon separation of employment by an ARP participant who meets the eligibility requirements under the OPERS or STRS retirement systems and with ten or more years of full-time service with the University (including predecessor institutions), will be paid in cash for one-fourth of the value of their sick leave balance, up to one hundred sixty days (320 hours). Payment will be based upon the employee's rate of pay at the time of retirement. Any unpaid leave remaining on the Shawnee State sick leave account will be available for use upon rehire (unless hired into a position that does not provide sick leave). In the event of an employee's death, the estate is not entitled to unused sick leave.

4.14 The cash payout of sick leave balance as provided in section 4.13 will be made only once to any Administrator or ATSS. An employee, who received such cash payout rehired by the University after retirement, may accrue and use sick leave while actively employed but shall not convert to cash any unused sick leave balance at the time of a second retirement.

4.15 Intentional misuse of the sick leave provision herein may be considered grounds for disciplinary action. Non-compliance with sick leave rules and regulations may result in the Administrator or ATSS not receiving pay for the requested sick leave.
5.0 FAMILY AND MEDICAL LEAVE POLICY

5.1 SCOPE
Employees with one year of service with the University and who have worked for 1,250 hours in the previous 12 month period are eligible for up to twelve weeks of paid (existing sick leave and/or vacation) and/or unpaid leave for qualifying events, in a twelve month period (rolling year, see CFR 29, Part 825.200). Qualifying events are:

5.1.1 Childbirth (due to the birth or to care for the newborn child) – within twelve months following the birth of the employee’s child.

5.1.2 Adoption or foster care – within twelve months of the adoption or placement of a child for foster care.

5.1.3 Serious personal illness –
   5.1.3.1 A serious health condition that results in a period of incapacity for more than three days during which the employee is unable to work, or
   5.1.3.2 A chronic condition requiring a regimen of ongoing care by a health care provider that intermittently (less than three days) renders the employee unable to work while seeking treatment or while recovering from the condition.

5.1.4 Serious illness of a member of the employee's immediate family – a serious health condition (as defined in 5.1.1.3 above) which requires the employee to provide care. Immediate family is: father, mother, spouse and child (under 18 or over 18 if incapable of self-care.)

5.1.5 Qualifying exigency arising out of the fact that the employee’s spouse, child, or parent is a covered military member on active duty, or has been called to active duty, in support of a contingency operation.

5.1.6 Care for a covered service member with a serious injury or illness if the employee is the spouse, child, parent or next of kin of the service member.

5.2 LENGTH OF LEAVE/PAID OR UNPAID

Family and Medical Leave provides an eligible employee to take up to twelve
workweeks of leave per rolling twelve-month period. Employees will first use sick leave, where appropriate, prior to vacation and any unpaid leave. Employees will use vacation and any comp time prior to any unpaid leave after sick leave is exhausted or for events where sick leave is inappropriate. Family Medical Leave coordinates and runs concurrently with other paid and unpaid leaves.

5.3 CHILDBIRTH AND ADOPTION TIMEFRAME

Leave under this policy which pertains to care for a newborn, adopted, or foster child may only be taken within twelve months of the child's birth or placement into the employee's home.

5.4 CERTIFICATION FOR HEALTH LEAVE

If an employee requires leave for a serious health condition for himself/herself or a spouse, parent, or child a health care provider's certification shall be required stating the commencement date and probable duration of the condition and the medical facts substantiating the condition. The University may require an independent examination at no cost to the employee.

5.5 NOTICE OF THE LEAVE

Employees must provide at least thirty days' advance notice if the leave is foreseeable. If the leave must begin within fewer than thirty days, the employee must provide notice as soon as practicable.

5.6 EMPLOYMENT AND BENEFITS PROTECTION

Any employee who takes leave under the provisions of this policy, on return from such leave shall be restored by the University to the position of employment held by the employee when the leave commenced or be restored to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

5.7 CONTINUATION OF HEALTH PLAN COVERAGE

If after the exhaustion of all forms of paid leave, a period of unpaid leave is required to complete the twelve week leave given through this policy, the University shall maintain the coverage under the group health plan for this period under the conditions coverage would have been provided if the employee had
continued in employment continuously for the duration of the leave. Upon return to work, the employee must make arrangements with the Department of Human Resource to make up the employee contributions missed for insurance coverage while on unpaid leave.

5.8 RETURN FROM LEAVE

If the employee fails to return from Family and Medical Leave, the University may recover the premium that the employer paid for maintaining coverage for the employee under the group health plan during any period of unpaid leave.

6.0 DISABILITY LEAVE

6.1 APPLICATION

6.1.1 Full-time Administrators and ATSS may be granted a disability leave of absence in the event of a disabling illness or injury (except work related in which case workers’ compensation rules will apply) that extends beyond leave provided under FMLA.

6.1.2 Approval of such leave is contingent upon the employee submitting a satisfactory written physician's statement attesting that the essential functions of the assigned position cannot be performed.

6.1.3 The University can request that an examination be completed by a physician of its choosing. In such case, the University will pay for the cost of the examination.

6.1.4 Written application to the Department of Human Resources should be made as early as possible and must include a statement from the attending physician with a projected return date.

6.2 DURATION AND RETENTION

6.2.1 The duration of disability leave will be based on the projected return date provided by the attending physician. An initial request for disability leave may be for one year or less. A disability leave may be extended one additional year with a request for such extension to be made no later than sixty (60) days prior to the originally scheduled return date. The total amount of time on such leave, paid or unpaid, for the same injury or
illness, may not exceed two years. The amount of time shall be reduced by family medical leave used for the same injury or illness.

6.2.2 In order to be paid leave, the employee will use earned but unused sick, vacation, or comp time. All types of paid leave must be used prior to unpaid leave.

6.2.3 Prior to returning to work, the employee must provide the University with the attending physician’s release attesting to his/her ability to perform the essential job duties. The University may request an independent examination as identified in 6.1.3 above.

6.2.4 The employee will retain reinstatement rights to his/her current position if the disability leave is six (6) months or less. If such leave time exceeds six (6) months, up to a maximum of twelve (12) months, the University will place such employee in the same or similar position in which the employee possesses the required qualifications necessary to perform the essential responsibilities. The University will make every effort to reinstate an employee to the same or similar position if such leave exceeds one year.

6.3 INSURANCE COVERAGE

6.3.1 The University will continue group health insurance throughout the period of an approved paid leave.

6.3.2 The University will continue group health insurance throughout the period of an approved unpaid leave for a maximum of six (6) months.

6.3.3 While on an approved unpaid leave (other than FMLA), the employee must timely remit the established insurance contribution payments for the duration of the leave. If the employee payment contributions are not timely remitted, the employee will forfeit University-provided health plan coverage and may elect health plan continuation under COBRA at 102% of the full cost of the University’s health plan.

6.3.4 The University will continue group health insurance as provided in the Family and Medical Leave Act (FMLA) of 1993 as currently amended, and offer group health continuation and conversion benefits as provided under the Consolidated Omnibus Reconciliation Act (COBRA).
6.4 DISABILITY RETIREMENT REINSTATEMENT

In the case of an employee who has been granted a disability retirement through OPERS or STRS, the period of reinstatement shall be in accordance with the prevailing rules of the state retirement system. An employee who wishes to be reinstated from disability retirement must make written application to the appropriate Vice President and must complete a "fit to return to duty" examination showing recovery from the disability or injury and attest that the essential functions of the position can be performed. The physical examination shall be given by a licensed physician designated by the University or in the case of disability retirement, by a physician designated by the state retirement system. The cost of such examination will be borne by the individual. No application for reinstatement will be valid if filed after the date that an employee is eligible for service retirement with the state retirement system. The University will consider an application submitted under this provision, however, reinstatement is not guaranteed.

6.5 Employees requesting disability leave must complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs.

7.0 WORKERS’ COMPENSATION LEAVE

Workers’ compensation leave will be provided as set forth in the Ohio statutes (ORC Chapter 4123) for workplace injuries and/or occupational diseases. Additional information may be found on the University website at the Office of Human Resources webpages.

8.0 COURT/JURY DUTY LEAVE

8.1 An employee who is required to report for jury duty or is subpoenaed to appear before any court, commission board, or other legally constituted body, where the employee is not a party to the action, shall be entitled to leave with pay for the scheduled work hours lost as the result of such duty. For ATSS employees, the employees will be compensated by the University in an amount equal to his/her straight-time (non-overtime) rate of pay. For both Administrators and ATTS employees, their normal pay will be paid to them while on jury duty, less the amount received by the employee from the government for such appearance. An employee who reports for such duty and is excused shall immediately contact his/her immediate supervisor and report for work, if requested. In order to be paid
by the University for such leave the employee must submit to Human Resources written proof, executed by the administrator of the court showing the duration of such duty and the amount of compensation received for such duty.

8.2 Employees requesting court/jury duty leave must complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs.

9.0 MILITARY LEAVE

9.1 An employee who is unable to report for regularly scheduled work because the employee is required to report for duty as an active duty member of the armed forces, a reserve member of the armed forces, or as a member of the Ohio National Guard shall be compensated in accordance with Ohio law.

9.2 The University will adhere to any federal or state laws enacted during the term of this Agreement regarding employer responsibilities toward active employees who are members of the armed forces.

RESOLUTION F26-16

A RESOLUTION ADOPTING POST-ISSUANCE COMPLIANCE PROCEDURES RELATING TO THE ISSUANCE OF FEDERALLY TAX-EXEMPT BONDS

WHEREAS, the Board of Trustees (the "Board") of Shawnee State University (the "University") is authorized by Sections 3345.11 and 3345.12 of the Ohio Revised Code to issue obligations to pay costs of University facilities and to refund obligations previously issued to pay costs of University facilities; and

WHEREAS, pursuant to the provisions of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations promulgated thereunder (the "Regulations"), the Internal Revenue Service (the "IRS") strongly recommends that issuers establish written requirements and procedures to ensure compliance with the applicable provisions of the Code and the Regulations; and

WHEREAS, desires to adopt the below described procedures (the "Post-Issuance Compliance Procedures") in order to ensure compliance with the provisions of the Code and the Regulations;

THEREFORE BE IT RESOLVED that the Board of Trustees of Shawnee State University approves the following effective upon adoption:

Adoption of Post-Issuance Compliance Procedures

The Board hereby adopts the following Post-Issuance Compliance Procedures, the purpose of which is to establish written directives and procedures in connection with Bonds issued so as to ensure that all applicable post-issuance requirements of the Code and Regulations needed to preserve the tax-exempt status of Bonds are met. In addition, the University hereby adopts policies and procedures to assist it in complying with Rule 15c2-12 of the Securities and Exchange Commission ("SEC"). The University reserves the right to use its discretion, as necessary and appropriate, to make exceptions or establish additional requirements as it may from time to time reasonably determine. The University also reserves the right to change the directives and procedures herein set forth from time to time, without prior notice to any party to the Bonds, provided, any material changes to such directives and procedures shall be approved and documented as an amendment or supplement to this Resolution.

General

The University is the issuer of the Bonds and will bear full responsibility for all ongoing tax compliance matters relating to the Bonds.

The University expects to use a corporate trustee (the "Trustee") to administer all Bonds. The Trustee will in each case be assigned certain document retention requirements in compliance with the University's document retention policy. The University retains the right to inquire of the Trustee for any documentation regarding any issue of Bonds.
The University shall execute a continuing disclosure agreement in connection with the Bonds.

**Designation of Responsible Person(s)**

The Board hereby designates its Vice President for Finance and Administration (the "Compliance Officer") as the officer with responsibility to oversee compliance herewith. The Compliance Officer may seek the advice of any other officer of the University as may be necessary to comply herewith.

**Post-Issuance Compliance Requirements**

**Bond Closing Documentation**

The Compliance Officer shall consult with bond counsel and other legal counsel and advisors, as needed, during the Bond issuance process to identify requirements and to establish procedures necessary or appropriate so that Bonds which are intended to be tax-exempt will continue to qualify for tax-exempt status. Those requirements and procedures shall be documented in the tax certificates and/or other documents finalized at or before issuance of the Bonds. Those requirements and procedures shall include actions to be taken in connection with future compliance with applicable arbitrage rebate requirements by both the University and the Trustee and all other applicable post-issuance requirements of federal tax law throughout (and in some cases beyond) the term or maturity of the Bonds.

**External Advisors**

The University shall consult with bond counsel and other legal counsel and advisors, as needed, following issuance of the Bonds to ensure that all applicable post-issuance requirements in fact are met. This shall include, without limitation, consultation in connection with the use of proceeds, as well as future contracts with respect to the use of Bond-financed or refinanced assets.

The University shall engage expert advisors, accountants or consultants (each a "Rebate Analyst") to assist in the calculation of arbitrage rebate payable in respect of the investment of Bond proceeds, unless the tax certificate documents that arbitrage rebate will not be applicable to an issue of Bonds.

Unless otherwise provided by the indenture, tax certificates or other authorizing documents relating to the Bonds, unexpended Bond proceeds shall be held by the Trustee, and the investment of Bond proceeds shall be managed by the University. The University shall prepare (or cause the Trustee to prepare) regular, periodic statements regarding the investments and transactions involving Bond proceeds and such statements shall be delivered to the University if it so requests.
Arbitrage Rebate and Yield

Unless the tax certificate documents state that arbitrage rebate will not be applicable to an issue of Bonds, the Board directs the Compliance Officer to be responsible for:

- engaging the services of a Rebate Analyst and, prior to each rebate calculation date, causing the Trustee or other account holder to deliver periodic statements concerning the investment of Bond proceeds to the Rebate Analyst;
- providing to the Rebate Analyst additional documents and information reasonably requested by the Rebate Analyst;
- monitoring efforts of the Rebate Analyst;
- assuring payment of required rebate amounts, if any, no later than 60 days after each 5-year anniversary of the issue date of the Bonds, and no later than 60 days after the last Bond of each issue is redeemed;
- during the construction period of each capital project financed in whole or in part by Bonds, monitoring the investment and expenditure of Bond proceeds and consulting with the Rebate Analyst to determine compliance with any applicable exceptions from the arbitrage rebate requirements during each 6-month spending period up to 6 months, 18 months or 24 months, as applicable, following the issue date of the Bonds; and
- retaining copies of all arbitrage reports and account statements as described below under “Record Keeping Requirements”.

The University, in the tax certificate relating to the Bonds and/or other documents finalized at or before the issuance of the Bonds, shall agree to undertake the tasks listed above (unless the tax certificate documents that arbitrage rebate will not be applicable to an issue of Bonds).

Use of Bond Proceeds and Bond-Financed or Refinanced Assets:

The Board directs the Compliance Officer to be responsible for:

- monitoring the use of Bond proceeds and the use of Bond-financed or refinanced assets (e.g., facilities, furnishings or equipment) throughout the term of the applicable Bonds to ensure compliance with covenants and restrictions set forth in the tax certificate relating to the Bonds;
- maintaining records identifying the assets or portion of assets that are financed or refinanced with proceeds of each issue of Bonds, including a final allocation of Bond proceeds as described below under “Record Keeping Requirements”;
- consulting with bond counsel and other legal counsel and advisers in the review of (i) any
unrelated trade or business income generated by the University’s use of Bond-financed or refinanced assets and (ii) any contracts, research agreements or other arrangements with private persons involving the use of Bond-financed or refinanced assets, all in order to ensure compliance with all covenants and restrictions set forth in the tax certificate relating to the Bonds;

• maintaining records of any contracts or arrangements involving the use of Bond-financed or refinanced assets as described below under “Record Keeping Requirements”;

• conferring at least annually with personnel responsible for the use and/or operation of Bond-financed or refinanced assets to identify, discuss and review any existing or planned use of Bond-financed or refinanced assets, to ensure that such uses are consistent with all covenants and restrictions set forth in the tax certificate relating to the Bonds; and

• to the extent that the Compliance Officer discovers that any applicable tax restrictions regarding use of Bond proceeds and Bond-financed or refinanced assets will or may be violated, consulting promptly with bond counsel and other legal counsel and advisers to determine a course of action to remediate all nonqualified uses and all nonqualified use of Bond proceeds, if any (including, if necessary, utilization of the IRS’s voluntary closing agreement program), if such counsel or adviser advises that remedial action is necessary.

The University, in the tax certificate relating to the Bonds and/or other documents finalized at or before the issuance of the Bonds, shall agree to undertake the tasks listed above.

All relevant records and contracts shall be maintained as described below.

Record Keeping Requirements

The Board directs the Compliance Officer to be responsible for maintaining the following documents for the term of each issue of Bonds (including refunding Bonds, if any) plus at least six years:

• a copy of the Bond closing transcript(s) and other relevant documentation delivered to at or in connection with closing of the issue of Bonds, including any elections made by the University in connection therewith and, if any, all post-issuance amendments or other modifications thereto;

• a copy of all material documents relating to capital expenditures financed or refinanced by Bond proceeds, including (without limitation) construction contracts, purchase orders, invoices, Trustee requisitions and payment records, draw requests for Bond proceeds and evidence as to the amount and date for each draw down of Bond proceeds, as well as documents relating to costs paid or reimbursed with Bond proceeds and records identifying the assets or portion of assets that are financed or refinanced with Bond proceeds, including a final allocation of Bond proceeds;

• a copy of all contracts and arrangements involving the use of Bond-financed or refinanced
assets; and

- a copy of all records of investments, investment agreements, swaps, arbitrage reports and underlying documents, including Trustee statements, in connection with any investment agreements, and copies of all related bidding documents, if any.

The University, in the tax certificate relating to the Bonds and/or other documents finalized at or before the issuance of the Bonds, shall agree to the foregoing records retention requirements and procedures.

Modification of Bond Terms and Provisions

The Board directs the Compliance Officer to be responsible for identifying any events resulting in (i) changes or modifications of any of the contractual terms of Bonds (including without limitation modifications of the bond interest rates, maturity dates or payment schedule), (ii) changes to any credit enhancement of or liquidity facility for Bonds, (iii) changes in the nature of the security for Bonds, (iv) purchase of Bonds by the University, or (v) any deferral or default of payment of principal and interest due on Bonds. The Compliance Officer shall consult with bond counsel and other legal counsel and advisors, as needed, prior to authorizing or undertaking any of the events described in the preceding sentence.

IRS Correspondence and Audits

The Board directs the Compliance Officer to consult with bond counsel and other legal counsel and advisors, as needed, in connection with any correspondence received from the IRS or the opening of any IRS examination of any type with respect to Bonds. The Compliance Officer designated as the responsible person for these Post-Issuance Compliance Procedures shall be named (or shall designate a person to be named) on any Form 8038 for any issue of Bonds as the person whom the IRS is to contact regarding matters connected with the Bonds.

Post-Issuance Securities Law Requirements

In each year that has Bonds or taxable obligations outstanding subject to SEC Rule 15c2-12, no later than the date 210 days after the end of the University’s fiscal year (the “Annual Report Filing Date”), the Compliance Officer shall file, or cause its dissemination agent, if applicable, to file, its annual audited financial statements in addition to other financial and operating data (the “Annual Report”) with the Municipal Securities Rulemaking Board (the “MSRB”) through its Electronic Municipal Market Access facility for municipal securities disclosure (“EMMA”). In preparing its Annual Report, the Compliance Officer shall review each of its outstanding Continuing Disclosure Certificates (individually, the “Certificate”, and collectively, the “Certificates”) to determine the financial information and operating data which, together with the University’s annual audited financial statements, shall constitute the content of the Annual Report. Each Certificate shall be included as an Exhibit to this document.

For its Certificates with respect to bonds or other obligations issued on or after December 1, 2010, the Compliance Officer shall monitor the following events and provide notice of
such events to the MSRB through EMMA as required by the applicable Certificate, but not later than ten (10) business days after occurrence:

   i. Principal and interest payment delinquencies;

   ii. Nonpayment related defaults;

   iii. Unscheduled draws on debt service reserves reflecting financial difficulties;

   iv. Unscheduled draws on credit enhancements reflecting financial difficulties;

   v. Substitution of credit or liquidity providers, or their failure to perform;

   vi. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701 TEB) or other material notices or determinations with respect to the tax status of the security, or other material events affecting the tax status of the security;

   vii. Modifications to rights of security holders;

   viii. Bond calls, except for mandatory scheduled redemptions not otherwise contingent upon the occurrence of an event;

   ix. Defeasances;

   x. Release, substitution or sale of property securing repayment of the securities;

   xi. Rating changes;

   xii. Bankruptcy, insolvency, receivership or similar event¹;

   xiii. The consummation of a merger, consolidation or acquisition;

   xiv. Appointment of a successor or additional trustee or the change of name of a trustee if material; and

   xv. Tender offers.

The SEC requires the listing of (i) through (xv) although some of such events may not be applicable to the Bonds.

¹ This event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the University, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the University.
Successor Responsible Person(s)

The Board directs the Compliance Officer as the responsible person to inform any successor of the requirements set forth in these Post-Issuance Compliance Procedures. The Compliance Officer may undertake such training of the University employees as is necessary to accomplish these Post-Issuance Compliance Procedures.
