Finance and Administration Committee Report

Mr. Watson moved and Ms. Hash seconded a motion to approve Resolution F16-17, Approval of Voluntary Retirement Incentive Plan.

Without discussion, the Board unanimously approved Resolution F16-17.

2. Update on FY2018 budget strategies – the impact of the 15th day enrollment resulted in the tuition revenue projected for FY2018 being overstated by over 7%. To mitigate the revenue shortfall, the response includes measures such as an immediate 10% reduction in non-compensation spending, further organizational realignments to streamline the operation and gain additional efficiencies, continued restrictions on vacated position replacements, and the implementation of a voluntary retirement incentive plan to achieve significant future compensation savings. These actions are being taken in anticipation of improved enrollment in academic year 2018-19 as the university continues its strategic growth initiatives.

4. Capital Projects – The Committee was given an update on the progress being made on several construction projects which included: the completion of Townhouse Residential Housing renovation; readiness for renovation of the plastics and digital gaming programs, completion of the soccer field lighting, 80% completion of master plan for Rhodes Athletic Center renovation; and the repurposing of Hatcher Hall to house the SSU Health Clinic and Counseling and Psychological Services in January 2018.

5. Quarterly Personnel Activity – for the period from July - September the university realized:

   • Ten internal appointments related to administrative position changes and conversions from visiting faculty status to tenure track status
   • Twenty-one new hires that replaced vacated positions that were deemed essential for institutional and academic programs
   • Nine academic promotions and four administrative promotions
   • Ten departures resignations and retirements

6. IUC Group Purchase Agreement Information – the Committee reviewed reasons why Shawnee opted not to participate in an IUC joint purchasing agreement for copiers and print management services in order to secure the most favorable pricing and efficiencies through a re-negotiated existing agreement. As required, a written explanation will be provided from
the SSU Board Chair to the IUC Purchasing Group Director and the Department of Higher Education.

1.0 PURPOSE

2.2 The University will develop a schedule each year that will allow for designated holidays to be observed. The two holidays marked with an asterisk (*) on the list will be observed on the Friday after Thanksgiving and on the day before Christmas Day.

2.3 If any of the holidays as provided herein falls on Saturday, the Friday immediately preceding shall be observed as the holiday. If any of the holidays as provided herein falls on Sunday, the Monday immediately succeeding shall be observed as the holiday.

2.4 The University reserves the right to require work on observed holidays at its discretion. Non-exempt salaried employees working on an observed holiday shall be paid for the holiday and for the actual time worked at one and one-half (1 ½) times their base salary per-hour rate of pay.

3.0 WINTER BREAK

3.1 Beginning in 2017, the University will be closed for Winter break each year from December 26 through December 31.

3.2 In order to provide for the safekeeping of the University, the Department of Public Safety will remain open and DPS Officers will continue their normal work schedules during this time. DPS Officers regularly scheduled to work shall receive their regular per hour rate of pay.

4.0 VACATION LEAVE AND PERSONAL LEAVE

4.1 The University regards a vacation as a period of rest and relaxation earned for past service. Since the annual vacation is important to the wellbeing of employees and their families, employees are encouraged to utilize all earned vacation.

4.2 For accrual purposes, the vacation year shall be based on an employee’s anniversary date.

4.3 Full-time employees accrue vacation leave based upon the schedule below. Part time employees who work twelve months will receive pro-rated vacation.
4.4 Employees working less than twelve months per year will not accrue vacation. Instead they will receive two personal days per year on July 1st which may be used with sufficient notice to arrange coverage and subject to supervisor approval. Unused personal days will not carry over from year to year. These days will be added to the employee’s leave balance upon hire and will expire each year on June 30th.

4.5 An employee may accumulate a maximum of two (2) times the accrued hours of vacation earned in one year. This amount may be carried over from year to year. With approval of the division vice president, an additional amount may be carried over when vacation cannot be taken due to operational needs outside the employee’s control.

4.6 A newly hired employee’s vacation accrual rate may include prior public service with the State of Ohio or political subdivision with the following conditions:

4.6.1 The employee must inform and provide written documentation to the Department of Human Resources within ninety (90) days of employment.
that s/he has service with the State of Ohio or a political subdivision. In such case, the employee’s accrual will be adjusted to the appropriate rate from the date of employment with the University.

4.6.2 Notification by the employee to the Department of Human Resources received after ninety (90) days of employment with the University will be applied to the employee’s accrual rate beginning the next full pay period in which the request and required documentation are received by Human Resources.

4.6.3 The employee’s adjusted accrual balance (whether retroactive to the employment date or a later date) will be reflected on the pay records beginning with the next full pay period after receipt of required documentation.

4.6.4 A year of service with the State of Ohio or a political subdivision is considered as twenty-six (26) biweekly periods.

4.6.5 An employee who has retired in accordance with the provisions of any retirement plan offered by the State of Ohio (a reemployed retiree) will not have prior service with the State of Ohio, any political subdivision of the State or a regional council of government counted for purposes of computing vacation leave.

4.7 To assure accurate leave balances, employees requesting vacation leave must submit their request electronically through the BearTrax system.

4.8 Extended vacation requests (over 3 weeks in a single instance) may have a negative impact on the operation and will be considered only as an exception with accompanying extenuating circumstances. Requests of this nature will require a written rationale with supervisor approval, as well as the approval of the division vice president.

4.9 When an official University observed holiday falls within an employee’s vacation that day will not be charged as vacation.

4.10 All accrued vacation must be exhausted before an unpaid leave of absence commences.

4.11 Employees who retire or resign will be paid for earned but unused vacation up to a maximum of two times the accrued hours of vacation in one year at the time of...
their departure. In the event of the death of an employee, vacation pay for 
vacation earned but not taken up to a maximum of two times the accrued hours of 
vacation in one year will be paid to the estate of the employee.

4.12 The Department of Human Resources will maintain an up-to-date record of 
vacation for each employee. Any questions concerning vacation record-keeping 
should be directed to Human Resources.

5.0 SICK LEAVE

5.1 Sick leave may be used for an authorized absence from scheduled duties due 
to illness, accident, exposure to contagious disease, health examinations 
or treatment (medical, dental or optical) for self or immediate family 
members when employees attendance is required, family emergencies 
requiring the attendance of the employee, pregnancy and/or childbirth and 
related conditions, or death in the immediate family. The definition of an 
immediate family member includes: grandparents, brother, sister, brother-in-law, 
sister-in-law, daughter-in-law, son-in-law, father, father-in-law, mother, mother-in-law, spouse, child, grandchild, legal guardian, or other person who stands in 
the place of a parent.

5.2 Upon hire, a full-time Administrator or ATSS employee will receive one hundred 
and twenty (120) hours of sick leave credited to his/her leave account.

5.3 After the first year of employment and thereafter, sick leave will accrue for full-
time Administrators and ATSS pro-rated each pay period for a maximum of 120 
hours per year.

5.4 Upon hire, the part-time Administrator or ATSS employee will receive a pro-rated 
amount of sick leave credited to his/her leave account, based upon the employee’s 
full-time equivalency (FTE) percentage determined at the time of hire. For 
example, a half-time employee (.50 FTE) will be eligible for a credit of sixty (60) 
hours of sick leave, etc.

5.5 After the first year of employment and thereafter, sick leave shall accrue for part-
time administrators and ATSS at a pro-rated amount based upon the employee’s 
FTE.

5.6 An Administrator or ATSS may transfer into his/her University sick leave account 
any accumulated, documented, and verified sick leave balance that has been 
accumulated in the public service in the State of Ohio, provided that his/her re-
employment takes place within ten (10) years of the date on which the employee was last terminated from public service. If the employee elects to do so and informs the Department of Human Resources, he/she may elect to transfer any unused and unpaid sick leave balance above one-hundred and twenty (120) hours to their Shawnee State University sick leave account. This amount will be in addition to the University credited amount. For example, if the employee had six hundred and twenty (620) hours of unused and unpaid sick leave from a prior state of Ohio employer, then five hundred (500) hours could be transferred to Shawnee State University.

5.7 There is no maximum applied to the amount of sick leave that may be accumulated during active employment.

5.8 The sick leave account balance will be reduced an hour for each hour of sick leave used. As an alternative to using up sick leave hours, the employee and supervisor may use flexible scheduling (working less hours of the normal schedule and making those hours up another time or day) to account for time off for medical appointments or other reasons which would otherwise be used as sick leave hours. For ATSS, hours must be made up within the same week, or if not, the sick leave account will be reduced an hour for each hour of sick leave used.

5.9 Employees requesting sick leave (including leave that qualifies under the Family and Medical Leave Act – FMLA) must submit their request electronically through the BearTrax system. When the leave is foreseeable, the employee must make every effort to request the leave thirty (30) days in advance of the Leave. When that is not possible for the leave request form to be submitted in advance of the leave, it must be approved by supervisor and submitted to Human Resources upon return from the absence. Time on approved sick leave will run concurrent with an approved leave under FMLA (refer to section 7.0 below).

5.10 If an employee is expected to be off more than five (5) consecutive work days, a signed or official doctor’s statement must be submitted in advance to the supervisor or Human Resources. If an employee does not have advance warning, the doctor’s statement must be provided to the supervisor or Human Resources as soon as practicable after the employee knows he/she will be off more than five (5) consecutive days and in no event any later than the date the employee returns to work (unless more time is granted by the Director of Human Resources or designee).

5.11 In situations of sick leave involving less than five (5) consecutive work days, where suspicious patterns of leave exist (e.g., leave taken immediately before or
after weekends or days off), a doctor’s statement may be required upon the request of the supervisor or Human Resources. All doctors’ statements shall be in the form of a signed or official statement from the attending physician, stating the general nature of the illness, date of medical treatment, and the conditions under which the employee is released to return to work or a statement from the attending physician verifying the illness or injury of the employee’s immediate family member. The failure to submit doctor’s statements, or the failure to submit proper leave forms to Human Resources, may result in delay of payment for the time missed.

6.0 SICK LEAVE RETIREMENT PAYMENT

6.1 The Administrator or ATSS, upon official state retirement from active service or upon separation of employment by an alternative retirement plan (ARP) participant who meets the eligibility requirements under the state pensions systems (OPERS or STRS) and with ten or more years of service with the State of Ohio or any of its political subdivisions, will be paid as follows:

6.1.1 For employees who retire prior to January 1, 2021 payment shall be for one-fourth of the value of sick leave balance, up to a maximum payment of 320 hours.

6.1.2 Employees who retire on or after January 1, 2021 will be paid for one-fourth of the value of accumulated sick leave balance, up to a maximum payment of 240 hours.

6.1.3 Payment will be based upon the employee’s base per hour rate of pay at the time of retirement. Any unpaid leave remaining on the Shawnee State sick leave account will be available for use upon rehire (unless hired into a position that does not provide sick leave).

6.1.4 In the event of an eligible employee’s death prior to retirement, the sick leave retirement payout is not subject to payment to the employee’s estate.

6.2 The payout of sick leave balance as provided in this policy will be made only once to any Administrator or ATSS. An employee, who received such cash payout and who was rehired post retirement, may accrue and use sick leave while actively employed but shall not be eligible for payment of any unused sick leave balance.
6.3 Intentional misuse of the sick leave provision herein may be considered grounds for disciplinary action. Non-compliance with sick leave rules and regulations may result in the Administrator or ATSS not receiving pay for the requested sick leave.

7.0 FAMILY AND MEDICAL LEAVE POLICY

7.1 SCOPE

Employees with at least one year of service with the University and who have worked for 1,250 hours in the previous 12 month period are eligible for up to twelve weeks of paid (existing sick leave and/or vacation) and/or unpaid leave for qualifying events, in a twelve month period (rolling year, see CFR 29, Part 825.200). Qualifying events are:

7.1.2 Adoption or foster care

7.1.3 Serious personal illness –

7.1.3.1 A serious health condition that results in a period of incapacity for more than three days during which the employee is unable to work, or

7.1.3.2 A chronic condition requiring a regimen of ongoing care by a health care provider that intermittently (less than three days) renders the employee unable to work while seeking treatment or while recovering from the condition.

7.1.4 The serious health condition of a member of the employee’s immediate family (as defined in 5.1 above) which requires the employee to provide care.

7.1.5 Qualifying exigency arising out of the fact that the employee’s spouse, child, or parent is a covered military member on active duty, or has been called to active duty, in support of a contingency operation.

7.1.6 Care for a covered service member with a serious injury or illness if the employee is the spouse, child, parent or next of kin of the service member.

7.2 LENGTH OF LEAVE/PAID OR UNPAID

Family and Medical Leave provides an eligible employee to take up to twelve workweeks of leave per rolling twelve-month period. Employees will first use
sick leave, where appropriate, prior to vacation and any unpaid leave. Employees will use vacation and any comp time prior to any unpaid leave after sick leave is exhausted or for events where sick leave is inappropriate. Family Medical Leave coordinates and runs concurrently with other paid and unpaid leaves.

7.3 CHILDBIRTH AND ADOPTION TIMEFRAME

Leave under this policy which pertains to care for a newborn, adopted, or foster child may only be taken within twelve months of the child's birth or placement into the employee's home.

7.4 CERTIFICATION FOR HEALTH LEAVE

If an employee requires leave for a serious health condition for himself/herself or a spouse, parent, or child a health care provider's certification shall be required stating the commencement date and probable duration of the condition and the medical facts substantiating the condition. The University may require an independent examination at no cost to the employee.

7.5 NOTICE OF THE LEAVE

Employees must provide at least thirty days' advance notice if the leave is foreseeable. If the leave must begin within fewer than thirty days, the employee must provide notice as soon as practicable.

7.6 EMPLOYMENT AND BENEFITS PROTECTION

Any employee who takes leave under the provisions of this policy, on return from such leave shall be restored by the University to the position of employment held by the employee when the leave commenced or be restored to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

7.7 CONTINUATION OF HEALTH PLAN COVERAGE

If after the exhaustion of all forms of paid leave, a period of unpaid leave is needed up to the twelve week maximum provided under this policy, the University shall maintain the coverage under the group health plan for this period under the conditions coverage would have been provided if the employee had continued in employment continuously for the duration of the leave. Upon return to work, the employee must make arrangements with the Department of Human Resources.
Resources to make up the employee contributions missed for insurance coverage while on unpaid leave.

7.8 RETURN FROM LEAVE

If the employee fails to return from Family and Medical Leave, the University may recover the premium that the employer paid for maintaining coverage for the employee under the group health plan during any period of unpaid leave.

8.0 DISABILITY LEAVE

8.1 APPLICATION

8.1.1 Full-time Administrators and ATSS may be granted a disability leave of absence in the event of a disabling illness or injury (except work related in which case workers' compensation rules will apply) that extends beyond leave provided under FMLA.

8.1.2 Approval of such leave is contingent upon the employee submitting a satisfactory written physician's statement attesting that the essential functions of the assigned position cannot be performed.

8.1.3 The University can request that an examination be completed by a physician of its choosing. In such case, the University will pay for the cost of the examination.

8.1.4 Written application to the Department of Human Resources should be made as early as possible and must include a statement from the attending physician with a projected return date.

8.2 DURATION AND RETENTION

8.2.1 The duration of disability leave will be based on the projected return date provided by the attending physician. An initial request for disability leave may be for one year or less. A disability leave may be extended one additional year with a request for such extension to be made no later than sixty (60) days prior to the originally scheduled return date. 3.44.4 Employees working less than twelve months per year will not accrue vacation. Instead they will receive two personal days per year on July 1st which may be used with sufficient notice to arrange coverage and subject to supervisor approval. Unused personal days will not carry over from year to year. These days will be added to the employee’s leave balance upon hire and will expire each year on June 30th.

3.54.5 An employee may accumulate a maximum of two (2) times the accrued day/hours of vacation earned in one year. This amount may be carried over from year to year. With approval of the division vice president, an additional amount may be
carried over when vacation cannot be taken due to operational needs outside the employee's control.

3.6.4.6 A newly hired employee’s vacation accrual rate may include prior public previous full-time service with the State of Ohio or political subdivision with the following conditions:

3.6.4.6.1 The employee must inform and provide written documentation to the Department of Human Resources within ninety (90) days of employment that s/he has full-time service with the State of Ohio or a political subdivision of the State of Ohio. In such case, the employee’s accrual will be adjusted to the appropriate rate from the date of employment with the University.

3.6.4.6.2 Notification by the employee to the Department of Human Resources received after ninety (90) days of employment with the University will be applied to the employee’s accrual rate beginning the next full pay period in which the request and required documentation are received by Human Resources.

3.6.4.6.3 The employee’s adjusted accrual balance (whether retroactive to the employment date or a later date) will be reflected on the pay records beginning with the next full pay period after receipt of required documentation.

4.6.4 A year of full-time service with the State of Ohio or a political subdivision is considered as twenty-six (26) biweekly periods.

3.6.4.4.5 An employee who has retired in accordance with the provisions of any retirement plan offered by the State of Ohio (a reemployed retiree) will not have prior service with the State of Ohio. any political subdivision of the State or a regional council of government counted for purposes of computing vacation leave.

3.7.4.7 To assure accurate leave balances, employees requesting vacation leave must submit their request electronically through the BearTrax system, complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs.
3.111 Consistent, excessive Extended vacation leave requests (over 3 weeks in a single instance) may have a negative impact on the operation and will be considered only as an exception with accompanying extenuating circumstances. Requests of this nature will require a written rationale with supervisor approval, as well as the approval of the division vice president.

3.94.9 When an official University observed holiday falls within an employee's vacation that day will not be charged as vacation.

3.104.10 All accrued vacation must be exhausted before an unpaid leave of absence commences.

3.124.11 Employees who retire or resign will be paid for earned but unused vacation up to a maximum of two times the accrued days/hours of vacation in one year at the time of his/her departure. In the event of the death of an employee, vacation pay for vacation earned but not taken up to a maximum of two times the accrued days/hours of vacation in one year will be paid to the estate of the employee.

3.134.12 The Department of Human Resources will maintain an up-to-date record of vacation for each employee. Any questions concerning vacation record-keeping should be directed to Human Resources.

4.05.0 SICK LEAVE

4.15.1 Sick leave shall be used for an authorized absence from work because scheduled duties due to illness, accident, or exposure to contagious disease, health examinations or treatment (medical, dental or optical) for self or examination or treatment of the employee or immediate family members when attendance is required, family emergencies requiring the attendance of the employee, pregnancy and childbirth and related conditions, or death of a member of the employee's immediate family. The definition of an immediate family member includes: grandparents, brother, sister, brother-in-law, sister-in-law, daughter-in-law, son-in-law, father, father-in-law, mother, mother-in-law, spouse, child, grandchild, legal guardian, or other person who stands in the place of a parent.

4.25.2 Upon hire, a full-time Administrator or ATSS employee will receive one hundred and twenty (120) hours of sick leave credited to his/her leave account.
4.35.3 After the first year of employment and thereafter, sick leave will accrue for full-time Administrators and ATSS pro-rated each pay period for a maximum of 120 hours per year.

4.45.4 Upon hire, the part-time Administrator or ATSS employee will receive a pro-rated amount of sick leave credited to his/her leave account, based upon the employee’s full-time equivalency (FTE) percentage determined at the time of hire. For example, a half-time employee (.50 FTE) will be eligible for a credit of sixty (60) hours of sick leave, etc.

4.55.5 After the first year of employment and thereafter, sick leave shall accrue for part-time administrators and ATSS at a pro-rated amount based upon the employee’s FTE for each day in any given pay period.

4.65.6 An Administrator or ATSS may transfer into their University sick leave account any accumulated, documented, and verified sick leave balance that has been accumulated in the public service in the State of Ohio by a school system, government agency, department or institution of the government of the State of Ohio, provided that his/her re-employment takes place within ten (10) years of the date on which the employee was last terminated from public service. If the employee elects to do so and informs the Department of Human Resources within ninety-(90)-days of his/her employment date, he/she may elect to transfer any unused and unpaid sick leave balance above one-hundred and twenty (120) hours to their Shawnee State University sick leave account. This amount will be in addition to the University credited amount. For example, if the employee had six hundred and twenty (620) hours of unused and unpaid sick leave from a prior state of Ohio employer, then five hundred (500) hours could be transferred to Shawnee State University.

4.75.7 There is no maximum applied to the amount of sick leave that may be accumulated during active employment.

4.85.8 The sick leave account balance will be reduced an hour for each hour of sick leave used. As an alternative to using up sick leave hours, the employee and supervisor may use flexible scheduling (working less hours of the normal schedule and making those hours up another time or day) to account for time off for medical appointments or other reasons which would otherwise be used as sick leave hours. For ATSS, hours must be made up within the same week, or if not, the sick leave account will be reduced an hour for each hour of sick leave used.
4.9 Sick leave may be utilized for an authorized absence from scheduled duties due to illness, accident, exposure to contagious disease, family emergencies requiring the attendance of the employee, dental or optical examination or treatment, pregnancy and/or childbirth and related conditions, or death in the immediate family.

4.9.5.9 Employees requesting sick leave (including leave that qualifies under the Family and Medical Leave Act – FMLA) must comple submit their request electronically through the BearTrax system. When the leave is foreseeable, the employee must make every effort to request the leave to and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs, thirty (30) days in advance of the need, if foreseeable and such notice is practicable. If it is not possible for the leave request form to be submitted in advance of the leave, it must be approved by supervisor and submitted to Human Resources upon return from the absence. Time on approved sick leave will run concurrent with an approved leave under FMLA (refer to section §7.0 below).

4.145.10 If an employee is expected to be off more than five (5) consecutive work days, a signed or official doctor’s statement must be submitted in advance to the supervisor or Human Resources. If an employee does not have advance warning, the doctor’s statement must be provided to the supervisor or Human Resources as soon as practicable after the employee knows he/she will be off more than five (5) consecutive days and in no event any later than the date the employee returns to work (unless more time is granted by the Director of Human Resources or designee).

5.11 In situations of sick leave involving Family and Medical Leave, or leave involving less than five (5) consecutive work days, where suspicious patterns of leave exist (e.g., leave taken immediately before or after weekends or days off), and there are habitual absences, a doctor’s statement may be required upon the request of the supervisor or Human Resources. All doctors’ statements shall be in the form of a signed or official statement from the attending physician, stating the general nature of the illness, date of medical treatment, and the conditions under which the employee is released to return to work or a statement from the attending physician verifying the illness or injury of the employee’s immediate family member. The failure to submit doctor’s statements, or the failure to submit proper leave forms to Human Resources, may result in delay of payment for the time missed.

4.126.0 SICK LEAVE RETIREMENT PAYMENT
4.146.1 The Administrator or ATSS, upon official state retirement from active service or upon separation of employment by an alternative retirement plan (ARP) participant who meets the eligibility requirements under the state pensions systems (OPERS or STRS)-retirement systems-and with ten or more years of service with the State of Ohio or any of its political subdivisions, will be paid as follows:

4.146.1.3 Payment will be based on the employee’s base per hour rate of pay at the time of retirement. Any unpaid leave remaining on the Shawnee State sick leave account will be available for use upon rehire (unless hired into a position that does not provide sick leave).

4.146.1.4 In the event of an eligible employee’s death prior to retirement, the sick leave retirement payout is not subject to payment to the employee’s the estate, is not entitled to unused sick leave.

4.146.2 The cash payout of sick leave balance as provided in section 4.13 of this policy will be made only once to any Administrator or ATSS. An employee, who received such cash payout and who was rehired by the University afterpost retirement, may accrue and use sick leave while actively employed but shall not be eligible for payment of any unused sick leave balance, at the time of a second retirement.

4.146.3 Intentional misuse of the sick leave provision herein may be considered grounds for disciplinary action. Non-compliance with sick leave rules and regulations may result in the Administrator or ATSS not receiving pay for the requested sick leave.

An employee who reports for such duty and is excused shall immediately contact his/her immediate supervisor and report for work, if requested.
8.10.2 In order to be paid by the University for such leave the employee must submit to Human Resources written proof, executed by the administrator of the court, showing the duration of such duty and the amount of compensation received for such duty.

8.2 Employees requesting court/jury duty leave must complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs.

9.01.0 MILITARY LEAVE

9.11.1 Any employee who is unable to report for regularly scheduled work because the employee is required to report for duty as an active duty member of the armed forces, a reserve member of the armed forces, or as a member of the Ohio National Guard shall be compensated in accordance with Ohio law.

9.21.2 The University will adhere to any federal or state laws enacted during the term of this Agreement regarding employer responsibilities toward active employees who are members of the armed forces.

9.31.3 To be eligible for this leave and in accordance with federal and state law, the employee upon request, shall be expected to provide the order or written statement from the appropriate military commander to his/her supervisor which shall be forwarded to Human Resources.

9.4 Employees requesting military leave must complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs.

12.0 REQUEST FOR REQUIRED LEAVE FORMS / OTHER REQUIREMENTS

9.51.2 Requests for leaves as identified in this policy are provided electronically via the Bear Trax system. Employees are required to complete Request for Leave Forms to document leaves of absence as indicated in the above sections. These forms must be completed by the employee, signed by the supervisor and turned in to Human Resources by the end of the pay period in which the absence occurs. In order to assure accuracy of leave balances and to properly secure approvals for leaves, every effort should be made to make requests prior to the end of the pay period in which the leave is to occur. In rare circumstances in which this cannot be done due to emergency or oversight, the employee must submit such request at...
the earliest date upon return from leave. Prior notification to the employee's supervisor of anticipated leaves is expected.

9.612.2 The Department of Human Resources may provide for additional guidelines regarding leaves of absences may be found on the and requirements which may be found on the Office of Human Resources - Department of Human Resources website, webpages.

Academic Affairs Report, October 13, 2017

Academic Events

Dr. John Feldmeier, Wright State, gave SSU’s Constitution Day Lecture on September 19. His presentation was entitled, “What to Expect from the U.S. Supreme Court’s 2017 Term?”.

Professor Yuanheng Wang, visiting scholar from Zhejiang Normal University, gave mathematics presentations on August 30. Professor Wang joined SSU for approximately one month in order to work with Dr. Jinlu Li on research and several manuscripts.

Textbook Affordability

HB49 requires an annual report to the Efficiency Advisory Committee on the University’s efforts to reduce textbook costs. HB49 also requires a study to determine the current cost of textbooks and the submission of that study to the Chancellor. SSU’s Barnes and Noble Bookstore reports that SSU students paid approximately $47,000 less for textbooks in AY 16-17. Average cost per student decreased from $534 to $474 based on bookstore sales. In addition, several departments have turned to using open education resources available at no cost online. For example, the Department of Mathematics reports student savings of nearly $100,000 this fall by using free open source materials. The Textbook Affordability Committee is currently reviewing additional strategies to reduce textbook costs for students.

Bearers of the Future

The University will be offering placement testing (Accuplacer) and career/majors exploration for 9th graders at Portsmouth High School. Each student will be provided with both placement and career interest testing so they can begin preparing academic goals in high school to support post-secondary aspirations. Ms. Glenna Heckler-Todt, Director of Advising & Academic Resources, is responsible for developing this initiative.

Give Back Go Forward

Shawnee State is launching the Give Back Go Forward program, part of a statewide initiative that has grown out of partnerships between public universities, the Ohio Department of Higher Education, and the Ohio Department of Aging. Shawnee State’s program is unique because it calls on the voluntary efforts of our students majoring in health professions to assist the senior
community surrounding the University. Students who participate will “give back” at least 100 hours of their time to local senior citizens. In return, students will receive a three-credit-hour tuition waiver that they can use for courses during summer semester. More importantly, the experience and networking that the program provides will be invaluable for those students as they enter their chosen career pathways.

**Department of General and Transitional Education (GATE)**

Shawnee State is establishing a new academic department, the Department of General and Transitional Education (GATE), within the University College. This helps to fulfill a number of strategic initiatives to advance academic programs and services. In addition to the University’s general education offerings, GATE will be responsible for overseeing developmental education including the Bridge Program.

**Academic Programs and Curriculum**

The Ohio Department of Higher Education requires submission of a final BOT-approved report on duplicative academic programs. The report is due at the end of the calendar year. HB49 also requires issuance of an annual report on the number of students who require remedial education, costs and causes of remediation, and specific areas of remediation provided by the university. This report will also be due by the end of the calendar year.

**Personnel**

The following are additional new faculty hires for the current academic year:

- Ann Marie Allen, Occupational Therapy
- Genoma Bender, Nursing
- Alicia Fink, Nursing
- Travis Lynn, Gaming and Simulation

From Friday, August 18, through Sunday, August 20, the Offices of Student Life, Housing & Residence Life and Diversity & Inclusion sponsored the 9th Annual Weekend of Welcome. “WOW” is a continuation of Orientation, offering new students an opportunity to engage and familiarize themselves with campus and the community. New students participate in social, educational, academic, safety and service programs throughout the weekend.

**Shout Outs to Some Stand Outs**

**Student Leaders**

Weekend of Welcome would not be possible if not for student leaders.

- 43 Welcome Ambassadors volunteer from morning to night, help answer questions, participate with new students in “SSU Gives Back” community service projects, set up and tear down events, and help students adjust to college during “WOW.”
- 34 Resident Assistants helped the Welcome Ambassadors during “WOW” and encouraged their students to get out of their apartments and participate.
- 14 members of Fraternity & Sorority Life helped new students unload their cars during move-in.
- 16 Members of the Men’s Basketball team assisted new students moving in their apartments, carrying luggage, boxes, and televisions up multiple flights of stairs.
- 38 Student Organizations hosted information tables for students during the “WOW Carnival,” assisting with retention efforts by encouraging students to join.

**Quick Numbers**

- 540 new students preregistered for WOW
- 549 checked in at WOW
- During WOW, 162 students created an account on the university app after 529 students created theirs after Orientation.

**University College, College of Arts & Sciences and the College of Professional Studies**

Shout out to the Deans, Chairs, and Faculty for their participation in “Academic Truths”. On the first day of WOW, they hosted 14 sessions for students to ask questions and have a better understanding of their majors, what is expected in the classroom and how those degrees will help them in the future. Academic Advisors also participated in the “WOW Carnival,” reinforcing to students they can ask for help with academic support at any time.
Kudos to AEA for supporting and volunteering during “WOW.” From confirming set-ups, to taking pictures or sitting at tables at the “WOW Carnival,” AEA volunteers worked with the Division of Enrollment Management & Student Affairs to ensure the weekend was a success. AEA oversaw the “Bear Beginnings” check-in process, ensuring each student received a book bag of school supplies and a name badge, while EMSA was wrapping up with Move-In.

Title IX Teams – “Speak Up, Speak Out”
A High Five to the Title IX staff and student team for creating a performance-based intervention program consisting of situations of sexual assault, drug facilitated sexual assault, intimate partner violence, stalking, and harassment. “Speak Up, Speak Out” focused on the bystander mentality, addressing the impact of intervention on situations of sexual aggression. It stressed how sexual aggression can no longer be ignored, empowering students to stand up, take a stand, and help keep others safe.

Clark Memorial Library & ITS – “Party at the Library”
The CML showed students it’s cool to go to the library by hosting their annual “Party at the Library” along with ITS. Students were encouraged to explore the building and take part in games, trivia, a photo booth and enjoy some free food.

SSU Development Foundation
Student Life was awarded a $2000 grant to provide commuter student meals during WOW. After surveying commuter students from previous years, we realized many of them could not afford to eat in the cafeteria during “WOW.” Students chose to go home or not attend at all. This year we were able to provide 400 meals throughout the weekend to commuters.

Thank you for the $2000 grant for Bears Care!
The majority of SSU’s student population relies on PELL money to help pay for college costs. Many students lack the financial funds to be fully prepared to start classes. Book bags are filled with consumable school supplies to help the under-prepared (pen, pencil, notebook, folder, highlighter, flash drive). Bags are passed out to all new students during “Bear Beginnings.”

RESOLUTION F16-17

APPROVAL OF VOLUNTARY RETIREMENT INCENTIVE PLAN

WHEREAS, retirement incentives are recognized as a pivotal component to an overall strategy for achieving operational and organizational efficiencies; and

WHEREAS, the University leadership has engaged in the comprehensive examination of retirement incentive options, including research on the effectiveness of retirement incentives as a viable means of responding to the changing needs of an organization; and

WHEREAS, the attached Voluntary Retirement Incentive Plan provides reasonable incentives that consider the University’s needs along with those of individuals within the University’s collective bargaining units who may be interested in voluntarily retiring; and

WHEREAS, the proposed Plan provides for an election window and retirement dates during fiscal year 2018 with options for re-employment at the discretion of the University for limited terms with economic savings to ensure the delivery of essential services during a transitional period; and

WHEREAS, the proposed Plan has been accepted by the Shawnee Education Association and the Communications Workers of America as indicated by the attached Memoranda of Understanding; and

WHEREAS, the President recommends the adoption of the Plan;

THEREFORE, BE IT RESOLVED, the Board of Trustees of Shawnee State University approves the adoption of the attached Voluntary Retirement Incentive Plan as presented.

(October 13, 2017)
Collective bargaining units representing employees of Shawnee State University (the “University”) have negotiated for the provision of a one-time opportunity for retirement eligible bargaining unit employees of the University to elect to receive cash payments in exchange for their voluntary retirement as of May 31, 2018. The opportunity is being offered through the Shawnee State University 2018 Voluntary Retirement Incentive Plan (the “Plan”).

The Plan is designed as a “window program,” a type of severance pay plan. Pursuant to the Plan, during the window from October 16, 2017 to November 30, 2017, eligible bargaining unit employees may apply to participate in the Plan. The University may accept up to twelve employees per bargaining unit with no more than three employees per department.

Once accepted into the Plan, accepted employees will be entitled to the following benefits upon retirement:

- **For Shawnee Education Association bargaining unit employees:**
  - Payments in the aggregate amount of 75% of his/her AY17-18 base salary to be made in three equal payments (on May 30, 2018, on November 30, 2018, and on May 1, 2019).
  - A medical insurance supplement based on his/her medical insurance enrollment at the time of separation. Voluntary retirees in the family or employee +1 tiers will receive a one-time, taxable payment of $8,000; those with the single tier of coverage will receive a one-time, taxable payment of $4,000.
  - A vacation payout equal to the lesser of: (i) unused vacation up to 80 hours, or (ii) $3,000.

- **For Communications Workers of America bargaining unit employees:**
  - A payment in the amount of $10,000 to be made on June 30, 2018.
  - A medical insurance supplement based on his/her medical insurance enrollment at the time of separation. Voluntary retirees in the family or employee +1 tiers will receive a one-time, taxable payment of $8,000; those with the single tier of coverage will receive a one-time, taxable payment of $4,000.

Under the terms of the Plan, participants who die or become disabled prior to reaching the May 31, 2018 retirement date will still be entitled to receive the retirement incentive payments. The incentive payment is in addition to any life insurance or other similar payments the participant is entitled to receive through other employee benefits provided by the University.

**Board Action Requested:** Provided the Board of Trustees of the University is comfortable with the terms of the Plan, the Plan document should be adopted and authority to execute the Plan document should be appropriately delegated.
Shawnee State University
2018 Voluntary Retirement Incentive Plan (VRIP)

Shawnee State University (the "University") is offering a plan to its eligible employees under which a qualifying employee, in consideration for voluntary relinquishment of employment under the terms provided herein, may receive a cash payment or payments. This is the Plan document for the Shawnee State University 2018 Voluntary Retirement Incentive Program (the "Plan"). This Plan was approved by the Shawnee State University Board of Trustees on October 13, 2017. The terms of the Plan consist of this Plan document and Exhibits A through C attached hereto.

Under the Plan, the University promises to pay the benefits described herein to an Eligible Employee who agrees to retire from service by May 31, 2018, and fulfills his or her contractual obligations through the date of his or her retirement or separation from service (the "Exit Date"). Failure to fulfill contractual obligations through the Employee's Exit Date will result in forfeiture of the benefits.

This Plan is not a retirement program, and is not intended to provide retirement income. This Plan is intended to qualify as a severance pay plan as defined under Code Section 457(e)(11) and as a "window program" under Code Section 409A. It does not replace or alter any State of Ohio public retirement program or any retirement plan sponsored by the University. Thus, an election to end employment with the University and to receive payments under this Plan will not change benefits provided under the State of Ohio public retirement system or the University retirement programs which an electing faculty or staff member may be eligible to receive.
Exhibit A
Shawnee State University
Voluntary Retirement Incentive Plan

I. Definition

In this Plan:

A. "Base Pay" means base pay provided for services to the University, determined as of May 1, 2018.

C. "Eligible Employee" means an employee of the University who is a member of a collective bargaining, including fair share participants, and who as of January 1, 2018: (1) will be retirement eligible under State Teachers Retirement System ("STRS") or Ohio Public Employees Retirement System ("OPERS"), as applicable; or (2) for Alternative Retirement Plan ("ARP") participants, would have been considered retirement eligible under STRS or OPERS, as applicable, if the employee had not elected to participate in ARP. If there is a question as to retirement eligibility, the rules and regulations for determining retirement eligibility under the state retirement system (i.e., STRS and OPERS) in which the employee participates, or should have participated if not for his/her ARP election, shall control.

Notwithstanding any provision to the contrary herein, Eligible Employee does not include persons who voluntarily separate from service or retire from the University prior to January 1, 2018; part-time, temporary, or intermittent, employees; special contract employees; and those given notice by the University prior to January 1, 2018 of the University's intent to terminate employment.

D. "Exit Date" means May 31, 2018; or such alternative retirement date as determined by the University in accordance with the terms of this Plan.

E. "University" means Shawnee State University.

F. "Window Period" means the period in which an Eligible Employee may make an election to participate in this Plan, as defined in Section V of this Plan.

II. Eligibility

An Eligible Employee, as defined in Section I of the Plan, may make an election under this Plan during the Window Period.
III. Date of Retirement

To participate in the Plan, an Eligible Employee must agree to retire from University service. Eligible Employees making an election under this Plan must end employment with the University by May 31, 2018.

In order to satisfy the educational and operational needs of the University, the University in its sole discretion reserves the right to rehire SEA collective bargaining members participating in the Plan on a part-time, instructional basis for two years following the participant’s retirement date, in accordance with the following conditions:

1. The participant will be paid at 50% of their pro rata Base Pay; and
2. The employment will be limited to the hours limits for adjunct instruction as established in the Collective Bargaining Agreement between Shawnee State University and the SEA.

Following retirement from service with the University, the Eligible Employee is free to accept full or part-time employment with any other employer. Provided, however, the Eligible Employee waives any right to rehire or reinstatement with the University. Any future employment of the Eligible Employee with the University will be at the sole discretion of the University and shall be limited to providing services to the University on a temporary basis or in a part-time instructional capacity.

IV. Plan Benefits

Eligible Employees who make an election to retire from service by May 31, 2018, shall receive the following benefits under the Plan:

1. For SEA collective bargaining members:
   a. Payments in the aggregate amount of 75% of his/her AY17-18 base salary. This incentive payment will be made in three payments. The first installment on or around May 30, 2018; second on or around November 30, 2018, and the third on or around May 1, 2019.
   b. Medical insurance supplement based on his/her medical insurance enrollment at the time of separation. Voluntary retirees in the family or employee +1 tiers will receive a one time, taxable payment of $8,000; those with the single tier of coverage will receive a one time, taxable payment of $4,000.
   c. Vacation payout equal to the lesser of: (i) unused vacation up to 80 hours, or (ii) $3,000.

2. For CWA collective bargaining members:
   a. Payment in the amount of $10,000. This incentive payment will be made on or around June 30, 2018.
   b. Medical insurance supplement based on his/her medical insurance
enrollment at the time of separation. Voluntary retirees in the family or employee +1 tiers will receive a one time, taxable payment of $8,000; those with the single tier of coverage will receive a one time, taxable payment of $4,000.

Notwithstanding the foregoing, the sum of the total payments provided under Subsections (1) and (2) of this Section shall not exceed the compensation limitation under Internal Revenue Code Section 401(a) (17) or two (2) times the employee's total compensation for the 2017 tax year.

Participation in and receipt of any and all other retirement plans and benefits offered to an Eligible Employee shall remain unchanged.

V. Election

An Eligible Employee meeting the eligibility requirements of Section II may participate in this Plan by making an election to do so. The election to participate in the Plan is subject to the following terms and conditions.

A. The election is completely voluntary.

B. The election period shall begin as of October 16, 2017 and close on November 30, 2017 (“Window Period”). All election forms (see Appendix B) must be submitted to the Department of Human Resources by November 30, 2017.

C. Except as provided in Subsections (D) and (E) of this Section V, once made, the election cannot be withdrawn or modified by the employee or the University.

D. The University reserves the right to determine whether to accept, modify, or terminate an employee’s election under this Plan, when, in the University’s sole discretion, such actions are deemed appropriate in order to meet the University’s academic, programmatic, or economic needs, or when the electing employee becomes incapable of carrying out his or her responsibilities and duties under this election. Employees who are accepted to participate will be notified within 14 days of the window period close date.

E. Employees who are accepted will have 14 days to accept the offer of the retirement incentive and submit their irrevocable resignation on the form provided by the University. Upon receipt, the University will provide written acceptance of the employee’s retirement (see Appendix C).

Notwithstanding anything herein to the contrary, the employee’s designation of an Exit Date shall not create any contract entitling the employee to work through the specified Exit Date, and the University continues to reserve the right to terminate or lay-off an employee in accordance with applicable law and, in accordance with the Collective Bargaining Agreement between Shawnee State University and the Shawnee Education Association (SEA) or the Communications Workers of America (CWA).
whichver is applicable. However, if an Eligible Employee who has elected to participate in the Plan should be laid-off, he or she shall receive severance benefits on the same schedule that would have applied had he or she continued to work (or continued on approved leave) until the agreed to Exit Date under the Plan.

Forms referenced in this Section V may be obtained from Human Resources.

VI. Effect of Plan Election

This Plan is not intended to provide retirement income, nor does it replace or alter the retirement plan or plans sponsored by the University. The election to end employment with the University and to receive payments under this Plan will not change benefits provided under the University retirement program that an electing employee may otherwise be eligible to receive.

VII. Death or Disability

With respect to payments made pursuant to Section IV(1) and (2) of the Plan:

A. If the employee retires from service and is entitled to benefits under Section IV(1) and (2) of the Plan, but dies before receiving all such benefits, then the beneficiary named on the employee’s University-provided life insurance benefit shall receive the remaining benefits on the same schedule that would have applied had the employee survived until the full payment is made. If an employee dies before his or her retirement date, no benefits will be paid under this Plan.

Payment pursuant to Section IV will be made to a beneficiary only upon proper proof submitted to and accepted by the plan administrator, establishing legal entitlement to be paid.

If the employee has filed a written election to participate in the Plan and becomes disabled (so that in the opinion of a physician acceptable to the University, the employee will be unable to return to full-time work prior to the agreed Exit Date) then the employee shall receive severance benefits on the same schedule that would have applied had he or she continued to work (or continued on approved leave) until the agreed Exit Date under the Plan. An employee who becomes disabled after filing an election to participate in the Plan will not be able to revoke that election after the close of the Window Period and the Revocation Period have passed.

VIII. Divorce

To the extent required under any final judgment, decree or order (including approval of a property settlement agreement), referred to as the “Order,” that (i) relates to the provision of child support, alimony payments, or marital property rights; (ii) is made in compliance with Code Section 414(p); and (iii) is made pursuant to a state domestic relations law, any portion of a Participant's benefits may be paid to a spouse, former spouse, child or other dependent of the Participant (the "Alternate Payee"). A separate account shall be established with respect to the Alternate Payee, in the same manner.
as the Participant, and any amount so set aside for an Alternate Payee shall be paid out within ninety (90) days of the date of the Order. Any payment made to an Alternate Payee pursuant to this paragraph shall be reduced by required income tax withholding.

The Plan’s liability to pay benefits to a Participant shall be reduced to the extent that amounts have been paid or set aside for payment to an Alternate Payee pursuant to an Order. No such transfer shall be effectuated unless the University as the former Employer (plan sponsor) has been provided with such an Order.

The Employer or its agents and representatives, shall not be obligated to defend against or set aside any Order, or any legal order relating to the garnishment of a Participant’s benefits, unless the full expense of such legal action is borne by the Participant. In the event that the Participant’s action (or inaction) nonetheless causes the University as former Employer to incur such expense, the amount of the expense may be charged against the Participant’s benefit amount and thereby reduce the University’s obligation to pay benefits to the Participant. In the course of any proceeding relating to divorce, separation, or child support, the University shall be authorized to disclose information relating to the Participant’s benefits to the Alternate Payee (including the legal representatives of the Alternate Payee), or to a court.

IX. Additional Conditions

As a condition of participation in the Plan, and in consideration of benefits to be received under the Plan, an Eligible Employee shall be required to waive all future employment rights and property rights, all entitlement to future wage and benefit increases, and all rights to participate in any University-sponsored benefit plans (other than the right to payments under this Plan and the right to purchase continuation of health care coverage as is required under applicable federal law). The University and/or Board of Trustees reserve the right to offer or not offer similar plans in the future, without obligation to those electing this Plan.

An Eligible Employee who wishes to elect to participate in the Plan shall be required to execute and to deliver to Human Resources of the University all of the following documents:

- Exhibit B – “Application to Participate”
- Exhibit C – “Acceptance of Offer”
- Exhibit D – “Release and Waiver of Claims Agreement”

X. Amendment or Termination of Plan

The University, at its discretion, may amend or terminate this Plan, provided that such amendment or termination shall not change any rights or interests of any employee who has made an election under it prior to such amendment or termination.

XI. Code Sections 457 and 409A.

This Plan is intended to qualify as a severance pay plan under Code Section 457(e)(11) and a “window program” under Section 409A so as to not constitute deferred compensation under Code Sections 409A, 457(b), and 457(f). In no event may the University or an Eligible Employee accelerate or delay payment or the Exit
Date in a manner inconsistent with this intent. The Plan shall be interpreted and administered in a manner consistent with this intent. Amounts payable under this Plan upon retirement, termination, or any similar term shall be payable only when the eligible employee incurs a “separation from service” as defined under Code Section 409A. Each payment of benefits under this Plan is intended to constitute separate payments for purposes of Code Section 409A.
Exhibit B

Any questions regarding this application should be directed to the Department of Human Resources.

IMPORTANT

PLEASE READ AND UNDERSTAND BEFORE MAKING AN APPLICATION TO PARTICIPATE IN THE 2018 RETIREMENT INCENTIVE PROGRAM

2. The incentive is open to full-time bargaining unit employees, including fair share, who:
   a.) are employed at the University on January 1, 2018; and
   b.) who are or will be eligible for service retirement as of January 1, 2018.

3. Participation is limited to twelve (12) employees per bargaining unit, with no more than three (3) per department. 4. Applicants who are selected to receive the retirement incentive must agree to and actually retire on or before June 1, 2018 and irrevocably resign their employment with the University. Applicants who are selected will have fourteen (14) days to accept the offer of the retirement incentive and submit their irrevocable resignation on a form provided by the University. If the offer is not accepted by the applicant, the University will offer it to the next person on the list.

5. Employees who elect to participate in the retirement incentive program will not qualify for unemployment compensation. This election is irrevocable.

6. Employees who are members of the Ohio Public Employees or State Teachers Retirement System may wish to consult with a counselor at OPERS/STRS to determine the impact of accepting the retirement incentive and retiring on or before June 1, 2018. Employees who participate in the Shawnee University Alternative Retirement Plan (ARP) may wish to consult with their ARP provider to determine the impact of accepting the retirement incentive and retiring on or before June 01, 2018.
7. Employees may, at their own expense, wish to consult with legal or other counsel before making application to or accepting any offer to participate in the Shawnee Retirement Incentive.

8. Participation in this program is not a guarantee or promise that the University will not, now or in the future, have to reduce its workforce through position elimination or layoff.

9. No person who applies for or accepts this benefit has any right to re-employment with the University following retirement. Future employment with the University will be at the sole discretion of the University.

2018 Voluntary Retirement Incentive Program
Release and Waiver of Claims Agreement

This Release and Waiver of Claims Agreement (the “Agreement”) is executed by and between ______________________ on his/her own behalf and on behalf of his/her heirs, executors, administrators and assigns (collectively, the “Employee”) and Shawnee State University (the “University”).

WHEREAS, the Employee is an Eligible Employee who may become entitled to receive certain severance incentive payments in accordance with the terms of the Shawnee State University 2018 Voluntary Retirement Incentive Program (hereinafter “VRIP” or “Plan”); and

WHEREAS, the Employee has indicated that he or she is desirous of becoming a Participant in the Plan; and

WHEREAS, as a condition of the Employee becoming a Participant in the Plan, the Employee is required to enter into this Release and Waiver of Claims Agreement no later than January 31, 2018; and

WHEREAS, the Plan is being offered to meet operational and budgetary needs of the University. The VRIP is offered to Shawnee State University employees meeting the VRIP eligibility criteria as identified in the Plan document, and is not a fringe benefit.

NOW, THEREFORE, IT IS AGREED by and between the Employee and the University as follows:

(1) The Employee by signing this Release and Waiver of Claims Agreement hereby affirms his or her decision to become a Participant in the Plan by (i) agreeing to retire from employment as an Employee of Shawnee State University effective June 1, 2018 or an alternate Exit Date determined by the University based on operational and educational needs and (ii) certifying that he or she will commence payment of benefits under the applicable state retirement program (State Teachers Retirement System (“STRS”), Ohio Public Employees Retirement System (“OPERS”), or Alternative Retirement Plan (ARP), as applicable).

(2) To the fullest extent permitted by law and only to the extent permitted by law, the Employee, in consideration of the University’s promises under the Plan, waives, releases and forever discharges the University, the University’s Board of Trustees, individual Board members, both past and present, the University’s past and present administrators, employees, agents, and representatives from any and all claims, actions or suits arising from, relating to, concerning or touching upon his/her employment with the University or the ending of his/her employment with the University, so long as such claims are able to be waived under governing law, including but not limited to:
(A) Any claim, action or suit alleging that he/she was illegally or improperly forced to resign his/her employment with the University;

(B) Any grievance, claim, action or suit alleging that the University breached any provision of its policies, procedures, employment agreements or collective bargaining agreements;

(C) To the extent such claims may be waived under the law, any claim, action or suit alleging that the University illegally discriminated against him/her in violation of any state or federal law or constitutional provisions, including any claim under Title VII of the Civil Rights Act of 1964, 42 USC §2000e, et seq., 42 USC §1983, and Ohio Revised Code Chapter 4112;

(D) Any claim, action or suit alleging that the University discriminated against him/her on the basis of his/her age in violation of the Age Discrimination in Employment Act of 1967, as amended, 29 USC §621, et seq., including any claim under the “Older Workers Benefit Protection Act” and Ohio Revised Code Chapter 4112;

(E) Any claim, action or suit alleging that the University violated the employee’s rights;

(F) To the extent such claims may be waived under the law, any claim, action or suit seeking monetary relief or any personal right of recovery of any kind in a lawsuit brought on his/her behalf by any local, state or federal administrative agency would have jurisdiction alleging that he/she was improperly separated, treated or discriminated against as an Employee of the University;

(G) Any claim, action or suit over which any state or federal court would have jurisdiction, including, but not limited to, any claim of mental and/or physical injury; damage to or loss of personal reputation, defamation, intentional infliction of emotional distress or violation of constitutional rights;

(H) Any claim, action or suit for salary, fringe benefits and/or other costs, expenses or attorney fees; and

(I) Any taxes to any government entity that are owed on behalf of the Employee. The Employee acknowledges and accepts any tax and Medicare consequences and liability resulting from the Plan as his/her personal liability.
Exclusively as the Agreement pertains to the Employee’s release of claims under the Age Discrimination in Employment Act ("ADEA"), the Employee, pursuant to and in compliance with the Older Workers Benefit Protection Act: (i) is advised to consult with an attorney prior to executing this Agreement; (ii) is afforded a period of forty-five (45) calendar days to consider the Agreement; and (iii) may revoke the Agreement during the seven (7) calendar days following its execution. The Employee’s knowing and voluntary execution of the Agreement is an express acknowledgment and agreement that the Employee had the opportunity to review the Agreement with an attorney if he/she so desired; that Employee was afforded forty-five (45) days to consider the Agreement before executing it (even if the Employee voluntarily chose to sign the Agreement prior to the expiration of the 45-day period); that Employee agrees the Agreement is written in a manner that enables him/her fully to understand its contents and meaning; and that Employee is being given seven (7) days to revoke the Agreement.

(3) Notwithstanding the foregoing, the Employee does not hereby release any claims that may not be waived under the law, including but not limited to the right to participate in an administrative agency proceeding, and does not waive any claims that may arise with respect to the operation and administration of this Plan after the date of his or her retirement or termination of employment. After the Employee’s retirement or termination of employment under the Plan, the Employee shall be permitted to take any action that is permitted under applicable law to enforce the terms of the Plan and Employee’s rights thereunder.

(4) THIS AGREEMENT MAY BE REVOKED BY THE EMPLOYEE BY SO NOTIFYING THE PLAN ADMINISTRATOR AND HUMAN RESOURCES OF THE UNIVERSITY, IN WRITING, WITHIN SEVEN (7) DAYS FROM THE DATE THE EMPLOYEE SIGNS THIS AGREEMENT. If this Agreement is not so revoked, it shall become effective, enforceable and irrevocable. There is no obligation of the University to make any payments prior to expiration of the revocation period.

(5) The Employee acknowledges and understands that “Eligible Employees” are defined utilizing the STRS/OPERS eligibility standards (as applicable based on the Employee’s participation in such program or would be participation absent ARP election).

(6) The Employee acknowledges and agrees that the University and its representatives, agents and employees have not made, and that Employee has not relied on, any representation(s) or promise(s) from the University, its employees, representatives and agents in making his/her decision to enter into this Agreement, except for the representations and promises that are contained in this Agreement. The Employee and the University further understand and agree that this Agreement constitutes the entire understanding and agreement between them pertaining to its subject matter; supersedes any other agreement, written or otherwise, pertaining to its subject manner; and, constitutes their full obligation to one another.

The Employee acknowledges that he/she has not relied upon any representation or statement by any representative, employee or agent of the University with respect to any tax and Medicare consequence(s) of the Plan. The
Employee acknowledges and accepts any tax consequence(s) and liability resulting from the Plan as his/her personal liability and will not attempt to or otherwise hold the University or any representative, agent or employee of the University responsible for any tax consequence(s) or liability resulting therefrom.

(7) This Agreement shall be binding upon the University and the Employee, as well as the Employee’s heirs and executors.

(8) The Employee acknowledges that no representations have been made to the Employee regarding the availability, unavailability, level or character of retirement or severance benefits which may or may not be made available in the future to the employees of the University. The Employee affirms that the terms of the Plan represent good and valuable consideration for the Employee’s retirement, regardless of any severance or retirement incentive benefits which may become available in the future to employees of the University. The Employee understands that increased, different or reduced benefits and/or additional programs of the same or similar character may be made available in the future and the Employee expressly disclaims any reliance on any representations to the contrary.

(9) As a condition of becoming a Participant in the Plan, and in consideration of benefits to be received under the Plan, the Employee waives all future employment rights, property rights, all entitlement to future wage and benefit increases, all rights to participate in any University-sponsored benefit plans (other than the right to payments under this Plan and the right to purchase continuation of health care coverage as is required under applicable federal law). The University and/or Board of Trustees reserve the right to offer or not offer similar plans in the future without obligation to those electing this Plan.

(10) The Employee, his/her beneficiary and any other person having or claiming any right to payments under the Plan or to any interest under the Plan shall rely solely on the unsecured promise of the University, and nothing in the Plan shall be construed to give the Employee, beneficiary or any other person any right, title, interest or claim in or to any specific asset, fund, reserve, account or property of any kind whatsoever owned by the University or in which it may have any right, title or interest now or in the future, but the Employee, beneficiary or any other person shall have the right to enforce his/her right to the Plan benefits against the University in the same manner as any unsecured creditor. Specifically, the Employee, beneficiary and any other person shall have no rights in any annuity or other investment account or the proceeds of any annuity or investment account purchased or entered into by the University for the purpose of providing the University with the funds to meet its obligations under the Plan.

Further, the Employee, beneficiary and any other person shall have no right to commute, sell, assign, transfer or otherwise convey the right to receive any payments hereunder, which payments and right thereto are expressly declared to be non-assignable, non-transferable, and not subject to transfer by operation of law in the event of bankruptcy or insolvency, attachment, garnishment and execution, except as required by applicable law.
(11) It is further specifically understood by the Employee and the University that this voluntary severance from employment with the University will disqualify the Employee from receipt of unemployment benefits pursuant to the provisions of the Ohio law as it constitutes a voluntary termination of employment without cause attributable to the employer.

(12) This Agreement shall be subject to, and governed by, the laws of the State of Ohio, without regard to any choice of law or conflict of laws provisions, and irrespective of the fact that Employee may now be, or may become, a resident of a different state.

(13) The sole and exclusive jurisdiction and venue for any litigation arising out of this Agreement or the Plan shall be the Ohio Court of Claims in Franklin County in the State of Ohio, and the Employee and University irrevocably consent to the personal jurisdiction of such court.

(14) In the event any parts of this Agreement are found to be void, the remaining provisions of the Agreement shall nevertheless be binding with the same effect as though the void parts were deleted.

MEMORANDUM OF UNDERSTANDING

SSU/CWA Collective Bargaining Agreement 2015-1018

Re: Voluntary Retirement Incentive

WHEREAS: ARTICLE 22 RETIREMENT states the bargaining unit members have retirement benefits under the State of Ohio retirement plans (OPERS and ARP), and contains no provision for a voluntary retirement incentive; and

WHEREAS: both parties agree to offer bargaining unit members who qualify for retirement under the State of Ohio retirement plans an additional voluntary incentive;

THEREFORE, BE IT RESOLVED that the parties agree to establish a non-recurring, non-precedent setting voluntary retirement incentive to be applied only at the end of AY17-18 as follows:

ARTICLE 16, Section 1 Retirement Plans

1. The University will offer a voluntary retirement incentive to those bargaining unit members who are eligible to retire under state retirement guidelines.

2. The University will provide the voluntary retirement incentive to a maximum of twelve of the eligible bargaining unit members (hereinafter “voluntary retirees”). The incentive will include payment in the amount of $10,000. This incentive payment will be made on or around June 30, 2018.

3. For each voluntary retiree, as defined above, the University will provide an additional medical insurance supplement based on their medical insurance enrollment at time of separation. Voluntary retirees in the family or employee +1 tiers will receive a one time, taxable payment of $8,000; voluntary retirees in single tier of coverage will receive a one time, taxable payment of $4,000.

4. The retirement incentives will be offered to applicants in order of seniority. Shawnee State bargaining unit service seniority dates will be used to prioritize those receiving the incentive; any prior service with a state entity other than Shawnee State, the military, the federal government or a political subdivision of any state shall not be included in this seniority determination. The University will accept no more than twelve (12) applicants.
5. If more than 3 bargaining unit members apply from a department, the university, in its sole discretion and based on operational need, may limit the number in that department to the 3 most senior applicants, using the same measure of seniority discussed in paragraph 4, above.

6. Bargaining unit members must declare retirement following the guidelines of Shawnee State University's Voluntary Retirement Incentive Plan.

7. The voluntary retirement incentive is not available to the bargaining unit members who have already retired, or submitted paperwork to retire, as of the date of this MOU.

MEMORANDUM OF UNDERSTANDING

SSU/SEA Collective Bargaining Agreement 2015-1018

Re: Voluntary Retirement Incentive

WHEREAS: ARTICLE 16 Section 1 states the bargaining unit members have retirement benefits under the State of Ohio retirement plans (STRS and ARP), and contains no provision for a voluntary retirement incentive; and

WHEREAS: both parties agree to offer bargaining unit members who qualify for retirement under the State of Ohio retirement plans an additional voluntary incentive;

THEREFORE, BE IT RESOLVED that the parties agree to establish a non-recurring, non-precedent setting voluntary retirement incentive to be applied only at the end of AY17-18 as follows:

ARTICLE 16, Section 1 Retirement Plans

1. The University will offer a voluntary retirement incentive to those bargaining unit members who are eligible to retire under state retirement guidelines.

2. The University will provide the voluntary retirement incentive to a maximum of 12 bargaining unit members, including not more than three (3) bargaining unit members from any academic department (hereinafter “voluntary retirees”). The incentive will include payments in the aggregate amount of 75% of each voluntary retiree’s AY 17-18 base salary. This incentive payment will be made in three payments on or around May 30, 2018; on or around November 30, 2018, and the balance on or around May 1, 2019.

3. For each voluntary retiree, as defined above, the University will provide an additional medical insurance supplement based on their medical insurance enrollment at the time of separation. Voluntary retirees in the family or employee +1 tiers will receive a one time, taxable payment of $8,000; voluntary retirees in single tier of coverage will receive a one time, taxable payment of $4,000.

4. The University will provide a vacation payout for voluntary retirees for any unused vacation up to 80 hours or in the amount of $3,000, whichever is less.

5. The University will allow post retirement, part time instructional opportunities for voluntary retirees under these conditions:
   - The University has the sole right to determine the need for the instructor in each course;
   - The voluntary retiree will be paid at 50% of their pro rata pay (based on AY17-18 base pay);
The post retirement benefit will follow the hours limits for adjunct instruction established in the CBA (i.e., twelve (12) or fewer contractual hours per semester and no more than nineteen (19) contractual hours per academic year); and

The post retirement benefit discussed in this paragraph is available up to two years following the retirement date.

6. If more than 12 bargaining unit members seek the incentive, seniority dates (based on Shawnee State bargaining unit service) will be used to prioritize those receiving the incentive. Any prior service with a state entity other than Shawnee State, the military, the federal government or a political subdivision of any state (collectively, “non-SSU service”) shall not be included in this seniority determination. Similarly, if more than 3 bargaining unit members from any academic department seek the incentive, the University may limit the number of applicants to 3 from that department, prioritized by seniority. Shawnee State University bargaining unit seniority dates will be used to prioritize those receiving the incentive and non-SSU service will not be considered.

7. Bargaining unit members must declare retirement following the guidelines of the Shawnee State University Voluntary Retirement Incentive plan.

- Eligibility Notification – Human Resources will send an eligibility letter to those individuals whose records indicate they may be eligible to participate in the Plan. An employee who thinks he/she may be eligible but does not receive a letter should contact Human Resources no later than November 30, 2017.

- Application – Employees who wish to participate in the Plan must submit an application to Human Resources. The window period begins October 16, 2017 and closes November 30, 2017 (assuming BOT approval received on October 13, 2017)

- Acceptance of Applicants – University will review applicants and determine applicants to be accepted to participate in the Plan. Applicants who are accepted will be notified within 14 days of the window period close date.

- Acceptance of Offer - Applicants who are accepted will have 14 days to accept the offer of the retirement incentive and submit their irrevocable resignation on the form provided by the University.

- Acceptance of Retirement – The University will provide written acceptance of the employee’s retirement.
In the event of rescission(s) or refusal(s) pursuant to this paragraph that results in less than 12 members accepting the voluntary retirement option, the university may offer the incentive to the member(s) with the next highest Shawnee State seniority in attempt to bring the number of acceptances to 12. A member’s decision to apply for this incentive shall not considered with respect to any other terms and conditions of that member’s employment.

8. The voluntary retirement incentive is not available to the bargaining unit members who have already retired, been previously notified of non-renewal, or submitted paperwork to retire as of the date of this MOU.

University Faculty Senate President Remarks
Friday, October 13, 2017 Board of Trustees Meeting

I’d like to thank the board for inviting me to speak with you all today. The faculty senate began the academic year by approving the creation of two ad-hoc committees. One will clarify the grade appeal process when students appeal to an Academic Dean. The other will clarify the academic policies and procedures with respect to College Credit Plus. The College Credit Plus legislation provides some guidance, but there are remaining questions regarding academic policy, such as assessment expectations, grade appeals, and mentoring. We’re aware that College Credit Plus is an important recruitment tool for the institution, and our goal is to design a policy that makes academic quality the focus of the CCP program.

As a participant in the Ohio Faculty Council (OFC), I’ve met with faculty leaders at the state’s public universities, and we’ve shared some of our common struggles and concerns. Textbook cost is one such concern, and I’ve shared what I’ve learned from the OFC with Provost’s Textbook Cost Committee and it’s my hope that Shawnee State takes the lead in reducing education costs for students in Ohio without limiting textbook choice for faculty and compromising academic quality for students.

This semester other members of the UFS Executive Committee and I will or have visited with faculty in several departments, the School of Education, and the University College. In the faculty senate leadership, we have a new Vice President, who you met at the last Board meeting, and a new Secretary. We’ve enjoyed hearing from our colleagues about the issues that concern them. When I addressed the Board this summer, I mentioned that the faculty are committed to helping this university solve problems. After visiting with our colleagues, I’m more certain of that now. I want the Senate to serve as a place where we can address problems confronting the institution.

After hearing Dr. Koenig’s report on the Healthy Minds Study during the Academic and Student Affairs Committee, I emailed her during lunch and asked that she speak with the Senate and share the results of the study. The New York Times reported that 62% of college students self-reported feelings of “overwhelming anxiety” compared to 50% in 2011. These are data the faculty need to know about and hopefully, have some hand in helping address the issue.

After hearing Eric Braun’s comments this morning during the Finance and Administration Committee meeting, I’d like to offer the Senate’s support in the university’s lobbying efforts. If it helps SSU, the faculty want to be there. If it would be helpful to take some faculty and students along to Columbus to lobby on behalf of the institution, we’re there. We might even let the Provost choose the music for the trip.

I’m looking forward to speaking with you in the coming months and reporting on the work of the Senate and occasionally providing a different perspective on important issues confronting the institution. I can assure you we want the institution to succeed, and I thank you making some time available for me to speak with you.
